COMES NOW the Staff of the Missouri Public Service Commission (Staff), and for its *Response*, states the following:

On September 10, 2007, Lake Region Water & Sewer Company filed its motion to extend the time for submitting its engineering study as required under the stipulation approved by the Commission in its October 26, 2006 Order. Lake Region seeks to extend the filing date of its study to on or before November 30, 2007. The Staff finds Lake Region's request to be reasonable and is therefore not opposed to it.

Respectfully Submitted,
