ORDER DIRECTING FILING

Issue Date: December 28, 2006

Effective Date: December 28, 2006

On November 28, 2006, Oakview Water and Sewer Company, LLC, filed applications with the Missouri Public Service Commission, pursuant to Section 393.170, RSMo 2000, requesting that the Commission grant it authority to provide water service and sewer service to an unincorporated portion of Warren County, Missouri. Separate cases were opened to consider certification of the water and sewer systems. Finding that the issues in the water certification case, Case No. WA-2007-0201, are clearly related to those in the sewer certification case, Case No. SA-2007-0200, the Commission issued an order dated December 4, 2006, consolidating these two cases and designated Case No. WA-2007-0201 as the lead case.

In making its decision, the Commission would be aided by a recommendation from its Staff. Therefore, the Commission will direct its Staff to file a recommendation or a status report indicating the date on which it expects to file its recommendation regarding Oakview's applications.

IT IS ORDERED THAT:

1. The Staff of the Missouri Public Service Commission shall file its recommendation or a status report indicating when it expects to file a recommendation, no later than January 29, 2007.
2. This order shall become effective on December 28, 2006.
