Dear Mr. Henderson:

As you may know, Time Warner Cable Inc. ("Time Warner Cable") is the managing parent of entities operating cable television systems serving the communities listed on Attachment A pursuant to issued or pending state-issued franchises. Time Warner Cable is a publicly-traded corporation, with approximately 84% of its common stock currently indirectly held by Time Warner Inc. ("TWX"), itself a publicly-traded corporation, with the remainder widely held by public shareholders.

On May 21, 2008, TWX and Time Warner Cable announced a plan to effect a complete separation of Time Warner Cable from TWX (the "Spin-Off"). The end result of the Spin-Off will be the divestiture by TWX of its entire ownership in Time Warner Cable either through (i) an exchange offer whereby TWX stockholders may exchange some or all of their shares of TWX common stock for shares of Time Warner Cable common stock or (ii) a dividend by TWX to its stockholders of the shares of Time Warner Cable common stock held by TWX, or some combination of these mechanisms. Upon completion of the Spin-Off, which we hope to occur before the end of this year, 100% of the common stock of Time Warner Cable will be publicly traded.

Concurrent with the Spin-Off, in an effort to streamline our corporate structure, we intend to merge certain indirect subsidiaries and affiliates of Time Warner Cable into their direct or indirect parent entities (the "Internal Restructuring"). As a result, the state-issued franchises for certain cable systems will be held by a New Franchisee, as indicated on Attachment A. The New Franchisee — just like the current Franchisee — will be under the management and control of Time Warner Cable. Moreover, ultimate control of Time Warner Cable will rest with the same public shareholders both immediately before and after completion of both the Spin-Off and the Internal Restructuring. The Spin-Off and the Internal Restructuring do not require any action on your part. We are concurrently providing similar notification to affected local communities, and we intend to submit any additional required notifications post-closing.

I would like to assure you that this Spin-Off and Internal Restructuring will have absolutely no impact on our cable systems or their operations. In particular:

- There will be no change in the local management and staff as a result of the Spin-Off and Internal Restructuring.
- Time Warner Cable will continue to be solely and exclusively responsible for the day-to-day management and operation of the cable systems.
- There will be no change in our commitment to provide our customers with the best variety and quality in entertainment and information services, all at competitive rates and with excellent customer care.
- This Spin-Off and Internal Restructuring will have no impact on our business policies or practices.

Please do not hesitate to contact me at 816.222.5821 should you have any questions or if I can be of any assistance.

Sincerely,

A handwritten signature in black ink, appearing to read 'D. Porter', with a long, sweeping horizontal line extending to the right.
