MOTION FOR EXTENSION

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”), through the undersigned counsel, and for its *Motion for Extension*, respectfully states as follows:

1. On October 16, 2020, following a request from Staff, the Commission pushed back the due date of Staff’s monthly reports in this docket from the 15th of every month, to the 22nd of every month, in order to give state utilities more time to gather and deliver the relevant data to Staff. This would also give Staff more time to organize and analyze the relevant data.

2. Staff has just received, and is still awaiting, data for the month of October from a number of state utilities.

3. In order to properly incorporate the data into its report, as well as intelligently comment upon the data as needed, Staff requests a one day extension to file its report. Staff anticipates filing its report no later than Monday, November 23, 2020.

WHEREFORE, Staff respectfully submits this *Motion for Extension*, and hereby requests the Commission approve Staff’s anticipated November 23, 2020, date for filing its November report.

Respectfully submitted,

/s/ Travis J. Pringle
