## ORDER GRANTING INTERVENTION

Issue Date: August 30, 2021

Effective Date: August 30, 2021

On June 28, 2021,<sup>1</sup> Missouri-American Water Company (MAWC) filed a Petition to Establish an Infrastructure System Replacement Surcharge (ISRS) applicable to its St. Louis County, Missouri, area; and a Motion for Approval of Customer Notice. On June 30, the Commission issued its Order Directing Notice, Setting Intervention Deadline, Directing Filing, and Suspending Tariff. On July 7, Midwest Energy Consumers Group (“MECG”) filed an Application to Intervene.

More than ten days has elapsed since MECG’s application to intervene, and no party has objected. Thus, the Commission will take up that application unopposed.<sup>2</sup> The Commission finds that the interests of the applicant differ from those of the general public and may be adversely affected by a final order issued in this case. Furthermore, the Commission finds that allowing the applicant to intervene will serve the public interest. Therefore, the Commission will grant the application to intervene.

### THE COMMISSION ORDERS THAT:

1. MECG’s application to intervene is granted.

<sup>1</sup> All date references will be to 2021 unless otherwise indicated.

<sup>2</sup> 20 CSR 4240-2.080 (13).

2. This order shall be effective when issued.
