Rate Increase in Water and Sewer Service)	

ORDER SETTING DISCOVERY CONFERENCE

Issue Date: December 19, 2013

Effective Date: December 19, 2013

On July 16, 2013, Lake Region Water & Sewer Company ("Lake Region") submitted a tariff designed to implement a general rate increase for utility service. On December 19, 2013, the Office of Public Counsel ("Public Counsel") filed a *Request for Discovery Conference*, which stated that a dispute exists between Public Counsel and Lake Region regarding Public Counsel's data request nos. 1000 to 1008 and 1010 to 1017 sent to Lake Region on November 7, 2013. Public Counsel states that an additional discovery conference is necessary because the next regularly scheduled conference on January 15, 2014 will occur after rebuttal testimony is due on January 10, 2014, which will prevent Public Counsel from obtaining timely discovery. The Commission finds the request to be reasonable and will grant it.

THE COMMISSION ORDERS THAT:

1. A discovery conference shall be held on Monday December 30, 2013 at 10:00 a.m. The discovery conference will be held in Room 305 of the Governor Office Building, 200 Madison Street, Jefferson City, Missouri.

2. This order shall become effective immediately upon issuance.
