Case No. TA-2000-521

SUPPLEMENT TO APPLICATION

Comes now @link Networks, Inc., applicant in the above captioned cause (hereinafter "@link" or "Applicant"), and pursuant to 4 CSR 240-2.080(14) respectfully requests leave to supplement its application, or alternatively, amend the same by interlineation, with the following:

@link intends to offer its services in accord with its tariffs. The provisions of 4 CSR 240-2.060(4)(H) require that a proposed tariff with a forty-five (45) day effective date be included with this application, and @link wishes to comply with this requirement. Because negotiations are not final with any of the incumbent local exchange companies in whose territory @link intends to provide service, the charges for interconnection and network elements, and other material provisions and terms have not been concluded, and @link requests the Commission to waive the provisions of this rule. Applicant intends to supply its proposed tariffs to the Commission with at least a thirty-day effective date at or near the time its interconnection agreements are approved. in this matter for its supplement to its application filed herein submits the following to the Commission:

WHEREFORE, @link prays the Commission allow a supplementation or amendment of its

5

application to include the allegation above and that the same be considered part and parcel of the application as if it had been originally incorporated therein.

Respectfully submitted,
