Dear Mr. Wright:

Earlier today, we filed on behalf of the Small Telephone Company Group, fifteen (15) copies of the prepared surrebuttal testimony of Robert C. Schoonmaker. At the time of that filing Schedules RCS-4 and RCS-5 were unavailable. Accordingly, enclosed for filing, please find fifteen (15) copies of Late-Filed Schedule RCS-4 and RCS-5.

Please see that this filing is brought to the attention of the appropriate Commission personnel. I thank you in advance for your cooperation in this matter.

Sincerely,

Sondra B. Morgan

TO WHOM IT MAY CONCERN:

This letter is to verify that Mid America Computer Corporation (MACC) did in fact have billing system restrictions that would not allow the billing of multiple COS rates and routes to one number.

We are in the process of making the changes requested by Mark Twain Rural Telephone and are assisting them in compiling the necessary call detail to effectuate settlement with their Primary Toll Carrier, Southwestern Bell Telephone.

Sincerely,

A handwritten signature in dark ink, appearing to read "David A. Waite". The signature is fluid and cursive, with a horizontal line drawn underneath the name.
