**AMENDED
PROPOSED PROCEDURAL SCHEDULE**

COMES NOW the Staff of the Missouri Public Service Commission, on its own behalf and on behalf of Missouri-American Water Company, the Office of the Public Counsel, Public Water Supply District Nos. 1 and 2 of Andrew County, Public Water Supply District No. 1 of DeKalb County, the Metropolitan St. Louis Sewer District, the City of Jefferson City, Missouri, the City of Joplin, Missouri, the City of Riverside, Missouri, the City of Parkville, Missouri, the City of Lake Waukomis, Missouri, Park University, the Missouri Industrial Energy Consumers, the Missouri Energy Group, AG Processing, Inc., the Missouri Gaming Company, and Utility Workers Union of American Local 335, AFL-CIO, being all of the parties in this case and submits to the Commission this Amended Proposed Procedural Schedule.

1. On May 16, 2008, the Staff submitted a Proposed Procedural Schedule on its own behalf and on behalf of several other parties. No party filed any pleading in opposition to the said Proposed Procedural Schedule, and no party has since filed any other proposed schedule for this case.

2. The above-named parties unanimously agree to amend the said Proposed Procedural Schedule that was filed on May 16, 2008, by changing the dates of the evidentiary hearing so that the evidentiary hearing would begin on October 30, 2008, instead of October 27, 2008, and that it would continue to November 14, as previously proposed, if necessary.

3. The parties note that this would result in a hearing consisting of no more than 11 business days, whereas the parties had previously requested that 15 days be reserved for the hearing, and the Commission had previously reserved 14 days for the hearing. The parties believe, however that 11 days will be sufficient for the hearing in this case.

4. The parties further state that if, after the hearing begins, it becomes apparent that 11 days will not be sufficient for the hearing, they will consent to add one additional day by including Veteran's Day, November 11, as a hearing day.

5. Finally, the parties note that the first two days that they have requested for the hearing, October 30 and 31, 2008, are presently reserved for the evidentiary hearing in Case No. HR-2008-0300, the Trigen rate case. However, the parties to the Trigen case have informed the parties to this case that they believe the evidentiary hearing in the Trigen case will require a maximum of eight days, instead of ten days, as presently reserved, and that they are willing to relinquish October 30 and 31 to the parties in this case for the hearing.

6. The parties unanimously approve of all of the other dates and proposals that are contained in the Proposed Procedural Schedule that was filed on May 16, 2008.

WHEREFORE, the above-named parties respectfully request that the Commission adopt the procedural schedule as herein proposed, and request that the Commission incorporate in its order the List of Conditions that was included in the Proposed Procedural Schedule that was filed on May 16, 2008.

Respectfully submitted,

/s/ Keith R. Krueger
