1	Q. Have you previously filed testimony before the Commission?
2	A. Yes. The cases in which I have filed testimony before the Commission are
3	listed on Schedule JAB-1 attached to this testimony.
4	Q. What is the purpose of your direct testimony?
5	A. The purpose of my direct testimony is to present Staff's position in Case No.
6	WC-2014-0018. Specifically, I will address how Staff became aware of the issue and will
7	provide the factual background of the case.
8	I. Executive Summary
9	Q. Please summarize your direct testimony.
10	A. On or about June 14, 2013, Staff received a phone call from Mr. John
11	Holborow, who is the Court appointed receiver (Receiver or Mr. Holborow) for H & H
12	Development Group. As the receiver, Mr. Holborow is responsible for the management of
13	Valle Creek Condominiums (Development) in Barnhart, MO. Mr. Holborow indicated that
14	the Development was being threatened with disconnection from the Consolidated Public
15	Water Supply District C-1 (CPWSD or District). Upon further discussion and inquiry by
16	Staff, it was determined that the CPWSD and the City of Pevely (City or Pevely) had entered
17	into a territorial agreement. Neither entity had requested permission from the Commission for
18	approval of the territorial agreement (Agreement). The purpose of this complaint is to request
19	the Commission require the District/City to submit the territorial agreement to the
20	Commission as required by state statute, Section 247.172, RSMo 2000.
21	II. Background

Q. When did Staff become aware of a territorial agreement between the District
and the City?

# Direct Testimony of James A. Busch

1	A. As previously stated, on or about June 14, 2013, Staff received a phone call
2	from Mr. John Holborow acting as receiver for H & H Development Group. Mr. Holborow
3	explained the situation that was occurring between the Development and the District. Staff
4	asked Mr. Holborow to send it information regarding the situation. Mr. Holborow sent Staff
5	an email on June 14, 2013. This email contained an attachment that described a brief history
6	of the Development. This history included information concerning a territorial agreement that
7	was entered into between the City and the District.

8

Q. Have you examined the territorial agreement in question?

9 A. Yes. It was supplied to Staff by Mr. Holborow and is attached to this
10 testimony as Schedule JAB-2.

11

# Q. Why do you characterize it as a territorial agreement?

12 Α. It is titled, "Territorial Agreement Between the Consolidated Public Water 13 Supply District No. C-1 of Jefferson County, Missouri, and the City of Pevely, Missouri." It 14 states that its purpose is "to stipulate and agree with respect to the geographic areas which 15 each will serve, in order to facilitate development of areas within the City of Pevely and the 16 Consolidated Public Water Supply District No. C-1 of Jefferson County, Missouri." It 17 provides that the parties will respect each other's territorial boundaries and specifies certain 18 exceptions where Pevely is authorized to provide water service within the District. It is 19 similar to many other territorial agreements submitted to the Commission for approval by 20 districts, municipalities, and public utilities. Attached as Schedule JAB-3 is a listing of various territorial agreements that have been filed with the Commission. The list only dates 21 22 back to 1995.

23

Q. After receiving the email from Mr. Holborow, what did Staff do next?

Direct Testimony of James A. Busch

1 <sup>1</sup>

1	A. After reviewing the information, Staff forwarded the information to Staff
2	Counsel's Office for a legal review. Staff also searched the EFIS system to determine if any
3	territorial agreement between the City and the District had been submitted to the Commission
4	for approval by the Commission. Staff found no such submission. Staff continued to stay in
5	contact with Mr. Holborow and asked for additional information. Finally, Staff, with its
6	Counsel, contacted the District and the City to gather more information.
7	Q. Did Staff find any record of a territorial agreement on file?
8	A. No. Neither the City nor the District ever filed its territorial agreement with
9	the Commission requesting approval.
10	Q. Were the City and District informed of the requirement to submit their
11	territorial agreement for Commission approval?
12	A. Yes. The City and District were informed of that requirement during phone
13	conversations held between June 14 and July 19, 2013.
14	Q. To what requirement are you referring?
15	A. The requirement to which I am referring is found in Section 247.172, RSMo
16	2000. This section of statute states that "competition to sell and distribute water, as between
17	and among public water supply districts, water corporations subject to public service
18	commission jurisdiction, and municipally owned utilities may be displaced by written
19	territorial agreements," but only as approved by the Commission.
20	Q. What did Staff do next?
21	A. Staff filed this complaint on July 19, 2013 since discussions with the City and
22	District did not result in the filing of an application seeking Commission approval of the
23	territorial agreement.
