Rules Governing Rendering of
Sewer Service

(continued)

The company shall have the right to charge customers on a monthly basis in arrears when the sewer charges are based on water usage.

- G Neither the company nor the customer will be bound by bills rendered under mistake of fact as to the quantity of service rendered or as a result of clerical error. Customers will be held responsible for charges based on service provided.
- H All bills for sewer service become delinquent after the due date stated on the bill. Service may be disconnected after thirty (30) days written notice by certified mail return receipt requested from the company as provided by Rule 7, Discontinuance of Service by Company.
- I When bills are rendered for a period of less than a complete billing period due to the connection or termination of service, the billing shall be for the proportionate part of the monthly charge, or where water usage is the basis for the charge, at the appropriate rate for water used. Customers terminating after taking service for less than one month shall pay not less than the monthly minimum.
- J The owner of the property served will be held responsible for ultimate payment of a bill. Copies of all notices of violations of the rules, or of disconnection of service shall also be sent to the owner of the property.
- K In the event of an undercharge due to errors in bill calculation, estimation or taxation, an adjustment shall be made for the entire period that the undercharge can be shown to have existed not to exceed twelve (12) monthly billing periods. The customer may request to pay for this undercharge over a period of time not to exceed the number of months for which an adjustment was made. When there is evidence of tampering or diversion found, the Company will calculate the billing adjustment for the entire period during which the condition existed. *
- L. As the result of the settlement in case SR-2008-0268 the Company shall not back-bill customers that are newly identified, i.e. customers that were on Aqua Missouri's system but were not receiving bills, at any time up to and including the conclusion date of the physical audit that will take place in the fourth quarter of 2008. *
