SECTION FIVE – SPECIAL ARRANGEMENTS

## 5.0 Individual Case Basis Arrangements (“ICB”)

Private line services will be made available to customers in a non-discriminatory manner. Rates for Centrex and local exchange dedicated access, private line, non-switched, and special access services will be determined on an Individual Case Basis (ICB). ICB rates will be structured to recover the Company’s cost of providing the service and will be made available to the Commission staff upon request on a proprietary basis. Rates may be negotiated and adjusted on Individual Case Basis (ICB)/Customer Specific Proposals (CSPs) in an exchange in which basic local telecommunications service offered to business customers by the incumbent local exchange company has been declared competitive. Terms of ICB/CSP provided to business customers will be provided on a proprietary basis to the Commission staff, upon request.
