RE: TO-2013-0042 – In the Matter of YMax Communications Corp.'s  
Tariff Filing to Revise its Intrastate Switched Access Services Tariff, P.S.C. MO.  
Tariff No. 2 – Substitute Proposed Tariff Sheets -- Tariff Tracking No. JC-2013-  
0026

Dear Mr. Reed:

Enclosed are two substitute tariff sheets of YMax Communications Corp.  
("YMax") in this matter, following discussions among the parties. Specifically, we  
hereby submit:

P.S.C. MO. Tariff No. 2, First Revised Page 6, Cancels Original Page 6  
P.S.C. MO. Tariff No. 2, Original Page 23.1

We have been unable to electronically file these substitute tariff sheets as  
a Tariff filing in EFIS, presumably because the tariffs under this tracking number  
are under suspension by the Commission. We have been informed by the other  
parties that there would be no objection to these substitute tariff sheets and that,  
upon their filing, AT&T Missouri and Verizon would withdraw their objections in  
this matter. Thus we ask you to ensure that these substitute sheets are properly  
filed in EFIS.

This matter is set for prehearing conference on Tuesday, September 11,  
2012. This filing, and the anticipated withdrawals of objections, should obviate  
the necessity of the prehearing conference.

Thank you for your assistance in processing this filing. Please contact me at 659-8672 or by email at wds@wdspsc.com if there are any questions.

Sincerely,

**/s/ William D. Steinmeier**
