OF THE STATE OF MISSOURI**

of CRG International, Inc. d/b/a Network )  
One

Case No. XD-2006-\_\_\_\_\_

**MOTION TO OPEN CASE AND CANCEL CERTIFICATE OF SERVICE AUTHORITY**

**COMES NOW** the Staff of the Missouri Public Service Commission (Staff) and moves the Commission to open a case and cancel the Certificate of Service Authority it has granted to CRG International, Inc. d/b/a Network One, as well as the company's tariffs. In support of its Motion, the Staff respectfully states as follows:

1. In February 1998 in Case No. TA-98-226, the Missouri Public Service Commission (Commission) granted a certificate of service authority to CRG International, Inc. d/b/a Network One to provide interexchange telecommunications services. The Commission approved the company's tariff, P.S.C. Mo. Tariff No. 1, in the same case. At a later time, the Commission approved a second tariff, P.S.C. Mo. Tariff No. 2.

2. In April 2002, CRG International, Inc. d/b/a Network One voluntarily sought bankruptcy protection under Chapter 7 (liquidation) of the Federal bankruptcy code in the Northern District of Georgia in Bankruptcy Petition #02-64401-mhm.

3. On July 13, 2005, the bankruptcy trustee for CRG International, Inc. d/b/a Network One communicated with counsel for the Commission indicating that they had no objection to CRG International, Inc. d/b/a Network One's certificate cancellation. See Appendix A.

4. The web site of the Office of the Missouri Secretary of State reports that the certificate of authority granted to CRG International, Inc., a Georgia corporation, was revoked

June 29, 2000 because the company failed to file its Annual Registration Report. Section 351.602.3 RSMo. (2000) states that “[t]he authority of a foreign corporation to transact business in this state ceases on the date shown on the certificate revoking its certificate of authority.”

5. In keeping with indications that the company has ceased operations and is being liquidated, CRG International, Inc. d/b/a Network One has not submitted an annual report to the Commission since its report for Calendar Year 2000. The company owes no assessments.

6. The address provided by the company to the Commission is no longer valid and mail sent to that address has been returned to the Commission. See Appendix B.

7. The Commission has the authority to cancel a telecommunications corporation certificate pursuant to Section 392.410.5 RSMo (Supp. 2004), which provides:

Any certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.

However, the Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. 1989).

8. Copies of this Motion are being served upon the company’s Missouri registered agent via certified mail; and also upon counsel for the company’s bankruptcy trustee. This Motion is not being served upon the company-provided address because it is no longer valid. See Appendix B.

WHEREFORE, the Staff recommends the Commission cancel the Certificate of Service Authority it has granted to CRG International, Inc. d/b/a Network One to provide intrastate interexchange telecommunications services in Case No. TA-98-226, as well as the company’s tariffs, P.S.C. Mo. Tariff No. 1 and P.S.C. Mo. Tariff No. 2.

Respectfully submitted,

DANA K. JOYCE  
General Counsel

Mr. Meyer:

Please accept this e-mail as a confirmation that I have no objection to the certificate cancellation of CRG International, Inc. d/b/a Network One (described in your e-mail to me of July 8, 2005). The Chapter 7 bankruptcy case of CRG was filed on April 22, 2002, and I have served as Chapter 7 Trustee since the filing. CRG has not provided services since the bankruptcy was filed.

Mr. Broadfoot:

Thank you for your phone message. As you know, I have located your name as representative in the bankruptcy matter of CRG International d/b/a Network (Bankruptcy Petition #: 02-64401-mhm in the Northern District of Georgia). I am an attorney at the Missouri Public Service Commission, which granted CRG a certificate of service authority to provide intrastate interexchange telecommunications services. I am writing to request your permission to seek cancellation of the company's certificate, as I see that their bankruptcy has converted to Chapter 7 (liquidation).

Although CRG International d/b/a Network One does not owe the Commission any money, as a regulated entity it does have certain requirements it must comply with, primarily encompassing the duty to submit an annual report. The has failed to do that for a number of years. Although we do not intend to undertake an enforcement action at this time, if the company wishes to keep its certificate, it must come into compliance.

If you agree that the company's certificate may be cancelled, please reply to this email to that affect. Alternatively, please reply via fax or letter. your response, please indicate that its services have ceased. My review of Commission's records relating to the company indicates that in the first few years of its certification here it did have Missouri customers and at the complied with all filing and assessment requirements.

I am attaching a copy of the pleading I intend to file if I receive your permission, and will complete the third paragraph based upon your response.
