On February 13, 2014, the Commission issued an order canceling United American Technology, Inc.'s ("UAT") certificates of service authority to provide interexchange and non-switched local exchange telecommunications services in the State of Missouri and its associated tariffs (Tracking No. JX-2007-0783). The effective date for the Commission's Order is February 25, 2014.

On February 24, 2014, UAT filed a *Motion to Stay Order*, indicating that UAT wishes to retain its certificates of service authority within the State of Missouri and that UAT was in the process of filing with the Staff of the Commission all outstanding annual reports and working to pay any universal service fund fees that are due.

UAT requested the Commission stay the effective date of the Commission's *Order Canceling Certificate and Accompanying Tariff* while the company attempts to work with the Staff of the Commission to resolve the issue. The Commission will grant UAT's motion.

THE COMMISSION ORDERS THAT:

1.   The effective date of the Commission's February 13, 2014 *Order Canceling Certificate and Accompanying Tariff* is stayed pending further order of the Commission.

2.   The Staff of the Commission shall file a status report with the Commission no later than April 1, 2014.

3.   This order shall become effective on February 24, 2014.
