

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

Cancellation of Certificate of Service)	
Authority and Cancellation of Tariff of)	File No. XD-2011-0206
Main Street Telephone Company)	

WITHDRAWAL OF STAFF MOTION

COMES NOW the Staff of the Missouri Public Service Commission and states as follows:

1. On December 30, 2010, the Staff filed a Motion to Cancel the certificate of service authority granted on September 15, 1998, to Main Street Telephone Company ("the Company"), because it reported no Missouri jurisdictional revenue for the past two years. Staff's motivation for its filing was not to be punitive, but to merely remove those telecommunications companies not actively involved in providing services in Missouri to better maintain the Commission's records.

2. On January 11, 2011, the Staff received the attached e-mail, in which the company indicates that it needs to maintain its Missouri certification to comply with the requirements of companies with which it is interconnected. The Staff's Motion, if granted, could interfere with those contractual relations, which the Staff views as an undesirable result.

3. The Staff, although it is withdrawing its Motion, will continue to examine ways in which such companies can be assessed some portion of the PSC's operating expenses, so that they do not unfairly burden the ratepayers of other telecommunications carriers.

WHEREFORE, Staff withdraws its Motion to cancel the Certificate of Service Authority and tariff for Main Street Telephone Company and asks that this matter be closed without further Commission action.

Respectfully submitted,

Colleen M. Dale, Senior Counsel
Missouri Bar No. 31624
Attorney for the Staff of the
Missouri Public Service Commission

Subject: STAFF MOTION FOR CANCELLATION FLE NO. XD-2011-0206
Importance: High

Dear Ms. Dale,

We are the attorneys for Main Street Telephone Company("MSTC").

MSTC primarily provides a dial around telecommunications service allowing end users in Missouri to place domestic calls by dialing a toll-free number using a personal identification number. MSTC customer activity over the past few years has not produced assessable revenue for the Commission; however, the company activity may imminently result in generating Missouri jurisdictional revenue in 2011. Further, MSTC's underlying network providers require that MSTC maintain authority to provide interexchange telecommunication services in Missouri in order to interconnect with the network.

For these reasons, we respectfully request that the Staff withdraw the Motion for Cancellation filed in File No. XD-2011-0206 seeking to cancel MSTC's authority to provide intrastate interexchange telecommunications services within Missouri.

Thank you in advance for your consideration of our request.

Best Regards,

Patrick Crocker
