ORDER SUSPENDING REQUIREMENT TO FILE PROPOSED
PROCEDURAL SCHEDULE

Issue Date: October 25, 2007

Effective Date: October 25, 2007

On October 24, 2007, the Staff of the Commission filed a motion asking the Commission to extend the time allowed for the parties to file a proposed procedural schedule regarding Staff's complaint against Universal Utilities, Inc. and Nancy Croasdell. Staff explains that the scope of the complaint is uncertain until the Commission rules on Staff's request for leave to file an amended complaint and a related motion to compel discovery. Until those questions are resolved, the parties are unable to determine a reasonable procedural schedule.

Staff's motion is reasonable and it will be granted. The Commission will suspend the requirement that the parties file a procedural schedule until after it rules on Staff's motions to compel discovery and to amend its complaint.

IT IS ORDERED THAT:

1. The requirement that the parties file a proposed procedural schedule is suspended until further order from the Commission.
2. This order shall become effective on October 25, 2007.

pursuant to Section 386.240, RSMo 2000.
