WITHDRAWAL OF STAFF MOTION

COMES NOW the Staff of the Missouri Public Service Commission and states as follows:

1. On December 30, 2010, the Staff filed a Motion to Cancel the certificate of service authority granted on February 4, 2000, to NetworkIP, L.L.C. ("the Company"), because it reported no Missouri jurisdictional revenue for the past two years. Staff's motivation for its filing was not to be punitive, but to merely remove those telecommunications companies not actively involved in providing services in Missouri to better maintain the Commission's records.

2. On January 31, 2011, the Staff received the attached e-mail, in which the company indicates that it is presently conducting telecommunications business in Missouri. The Staff's Motion, if granted, could impede the Company's provision of telecommunications services in Missouri, which the Staff views as an undesirable result.

WHEREFORE, Staff withdraws its Motion to cancel the Certificate of Service Authority and tariff for NetworkIP, L.L.C. and asks that this matter be closed without further Commission action.

Respectfully submitted,

Subject: Reinstatement Letter NetworkIP, LLC File No. XD-2011-0208

Hello Cully,

Thank you for taking the time to speak with me today. Per our conversation, attached is a letter stating that we would like our Certificate of Authority and respective Tariff to be reinstated. Our Certificate of Authority was cancelled due to NetworkIP, LLC having no revenues to report for the years 2008 and 2009. We do, however, anticipate to have reported revenues for the year 2010. If you could reverse the Order Directing Notice, we would be most appreciative.

One more request. Please send confirmation when this process is completed?

Thank you,
