WITHDRAWAL OF STAFF MOTION

COMES NOW the Staff of the Missouri Public Service Commission and states as follows:

1. On December 29, 2010, the Staff filed a Motion to Cancel the certificate of service authority granted on March 17, 2004, to ANI Networks ("the Company"), because it reported no Missouri jurisdictional revenue for the past two years. Staff's motivation for its filing was not to be punitive, but to merely remove those telecommunications companies not actively involved in providing services in Missouri to better maintain the Commission's records.

2. On January 7, 2011, the Company filed an Objection to Staff's Motion, in which the company indicates that it is presently conducting telecommunications business in Missouri. The Staff's Motion, if granted, would interfere with the Company's provision of telecommunications services in Missouri, which the Staff views as an undesirable result.

WHEREFORE, Staff withdraws its Motion to cancel the Certificate of Service Authority and tariff for ANI Networks and asks that this matter be closed without further Commission action.

Respectfully submitted,

Colleen M. Dale
