**AMENDED MOTION TO CANCEL
CERTIFICATE OF SERVICE AUTHORITY AND TARIFF**

COMES NOW the Staff of the Missouri Public Service Commission (Staff), by and through counsel and states as follows:

On August 17, 2017, Staff filed a *Motion* asking the Commission to cancel Primus Telecommunications, Inc.'s (Primus) certificate of service authority to provide basic local exchange, nonswitched local exchange and interexchange telecommunications services in Missouri. Staff in that *Motion* stated that the Company has an existing approved tariff, YX-2010-0658 and asked the Commission to cancel this accompanying tariff in its order as well. Staff inadvertently failed to include an additional existing approved tariff Primus has in effect before the Commission, Tariff No. JX-2003-1111. Staff now asks in its *Amended Motion* for the Commission to cancel this tariff as well.

WHEREFORE, Staff respectfully recommends the Commission cancel the certificate of service authority along with both of Primus Telecommunications Inc.'s currently effective tariffs, Tariff Nos. YX-2010-0658 and JX-2003-1111, to provide domestic interstate and intrastate, international, long distance voice, data and value-added telecommunications services in Missouri; and grant such other and further relief as the Commission considers just in the circumstances.

Respectfully submitted,

/s/ Whitney Payne
