**ORDER CANCELLING INTEREXCHANGE
CERTIFICATE OF SERVICE AUTHORITY**

Issue Date: June 28, 2023

Effective Date: July 28, 2023

On May 31, 2023, the Staff of the Commission (Staff) filed a motion requesting that the Commission cancel the certificate of interexchange telecommunications service authority and applicable tariff of National Access Long Distance, Inc. (“ the Company”). On August 14, 2003, the Commission granted the Company a certificate to provide intrastate interexchange telecommunications service in File No. XA-2003-0586. The Company also has an applicable tariff, Tracking No. YX-2003-2237. Staff’s motion stated that the Company wishes to cancel the certificate and applicable tariff. The Company stated that it no longer offers telecommunications services in Missouri and that no customers will be affected.

On June 5, 2023, the Commission issued an order that anyone wishing to file an objection or request a hearing do so no later than June 15, 2023. There were no such filings. The Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing.¹ Therefore, the Commission will cancel the certificate based on Staff’s motion.
