ORDER DIRECTING STATUS UPDATE

Issue Date: January 8, 2008

Effective Date: January 8, 2008

On November 6, 2007, Syniverse Networks, Inc. ("Syniverse") filed an application asking the Commission to change the name on its certificate of service authority to Syniverse Technologies, Inc. Also on November 6, Syniverse issued a tariff reflecting the name change.

However, upon review of Syniverse's application, it appeared that Syniverse Networks, Inc. and Syniverse Finance, Inc. were merging into a new corporate entity utilizing the new name of Syniverse Technologies, Inc. In fact, based upon Syniverse's filings it appears that the merger became effective on February 9, 2005. Consequently, on November 29, 2007, the Commission suspended Syniverse's tariff and directed it to properly request approval of its merger. In the Commission's suspension order Syniverse was directed to file an appropriate application for its merger no later than December 17, 2007.

Just prior to the issuance of the Commission's suspension order, Syniverse filed an application for approval of its merger; however, that application was rejected for Syniverse's

failure to have retained proper representation by an attorney authorized to practice law in Missouri. There has been no activity in either of these matters since the issuance of the suspension order. The Commission will therefore require Syniverse to file a status update. Depending on Syniverse's response, the Commission may be required to further suspend its tariff. That tariff is currently suspended until April 4, 2008.

IT IS ORDERED THAT:

1. No later than January 18, 2008, Syniverse Networks, Inc. shall file a status update informing the Commission of its progress with securing appropriate legal counsel and providing a date certain when it file its application for approval of its merger.
2. This order shall become effective on January 8, 2008.
