ORDER CANCELING CERTIFICATE OF SERVICE AUTHORITY

Issue Date: February 5, 2021

Effective Date: March 7, 2021

On January 19, 2021, the Staff of the Missouri Public Service Commission (Staff) filed a motion requesting that the Commission cancel the certificate of interexchange service authority of Silv Communication, Inc. (Company) in the state of Missouri. The Commission previously granted the Company a certificate to provide intrastate interexchange service in File No. XA-2009-0301. The Company does have an applicable tariff, YX-2009-0592. The Staff's motion states that the Company wishes to voluntarily relinquish its authority and cancel any applicable tariffs.

The Commission has the authority to cancel a certificate and tariff pursuant to Section 392.410.5, RSMo (2016), which states, in part, "[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected."

On January 20, 2021, the Commission issued its order that anyone wishing to respond to Staff's motion or request a hearing do so by filing a pleading no later than February 1, 2021. There were no such filings. The Commission need not hold a hearing

if, after proper notice and opportunity to intervene, no party requests such a hearing.¹
Therefore, the Commission may cancel the certificate based on Staff's motion.

Based on Staff's motion, the Commission finds that the certificate of service authority granted to Silv Communication, Inc. shall be canceled.

THE COMMISSION ORDERS THAT:

1. The certificate of service authority issued to Silv Communication, Inc. in File No XA-2009-0301 to provide intrastate interexchange service in the state of Missouri is canceled.
2. Silv Communication, Inc.'s Tariff No. YX-2009-0592 is canceled.
3. This order shall be effective March 7, 2021.
4. This file shall close March 8, 2021.
