**NOTICE CLOSING CASE**

Issue Date: January 2, 2009

On December 20, 2007, the Commission approved the Joint Application and Least Cost Routing, Inc.'s ("LCR") Tariff. As part of its order, the Commission directed Primus Telecommunications, Inc. ("PTI"), and LCR to notify the Commission within ten days of the completion of their merger. On January 10, 2008, PTI filed a Notice of Withdrawal of Tariff Filing. PTI indicated they would re-file the tariffs to conform to the anticipated closing date of the merger. On June 23, 2008, PTI and LCR filed a Status Report. The companies stated that they are awaiting requisite state approvals and plan to re-file the tariff sheets as noted in their January 10 Notice of Withdrawal.

The Commission will close the case at this time. When PTI and LCR re-file the tariffs or provide the Commission with additional information, they may file the appropriate pleading in the closed case, which will cause the case to reopen.
