## ORDER CANCELING CERTIFICATE AND ACCOMPANYING TARIFF

Issue Date: October 7, 2015

Effective Date: October 17, 2015

On September 11, 2015, the Staff of the Missouri Public Service Commission filed a motion requesting Network Operator Services, Inc. ("Network Operator Services") certificate of service authority and accompanying tariff to provide interexchange telecommunication services in the State of Missouri be cancelled.

In File Number TA-95-90, the Commission granted Network Operator Services a certificate of service authority to provide interexchange telecommunication service in the State of Missouri. The Company's tariff, P.S.C. Mo No. 2, was also approved.

Staff states in its motion that Network Operator Services notified Staff that the company no longer wished to retain its certification in Missouri and requested the Commission cancel Network Operator Services' certificate of service authority and tariff. Staff recommends that the Commission cancel the company's certificate of service authority to provide interexchange telecommunications services, and the company's accompanying tariff.

On September 15, 2015, the Commission issued an Order Establishing Time to Respond allowing any parties to file an objection or request a hearing to do so no later than September 25, 2015. No objections or requests for a hearing were filed.

The Commission has the authority to cancel a certificate and tariff pursuant to Section 392.410.5, RSMo, which states, in part, “[a]ny certificate or service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

Based on Staff’s motion, the Commission finds that the certificate of service authority and accompanying tariff granted to Network Operator Services, Inc., shall be canceled.
