ORDER CANCELING CERTIFICATE AND ACCOMPANYING TARIFF

Issue Date: December 7, 2017

Effective Date: December 17, 2017

On November 17, 2017, Pulse Telecom, LLC ("Pulse") filed notice that it was discontinuing services and asked the Commission to cancel its certificate of service authority and accompanying tariff to provide telecommunications services in the State of Missouri.

In File Number XA-2007-0290, the Commission granted Pulse a certificate of service authority to provide telecommunications services in the State of Missouri, and approved its tariff. Specifically Pulse was approved to provide interexchange telecommunications services. The Company's tariff, P.S.C. MO No. 1 was also approved.

On November 29, 2017, the Commission issued an Order Directing Staff to File a Recommendation. On December 7, 2017, Staff filed its recommendation and stated that Pulse has notified the Commission it no longer wished to retain its certification to provide interexchange telecommunications services in Missouri. Staff recommends the Commission cancel the company's certificate of service authority to provide telecommunications services and the company's accompanying tariff.

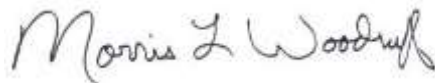

The Commission has the authority to cancel a certificate and tariff pursuant to Section 392.410.5, RSMo, which states, in part, “[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

Based on Pulse’s request and Staff’s recommendation, the Commission finds that the certificate of service authority and accompanying tariff granted to Pulse Telecom, LLC, shall be canceled.

THE COMMISSION ORDERS THAT:

1. The certificate of authority to provide interexchange telecommunications services granted to Pulse Telecom, LLC, in File Number XA-2007-0290, is canceled.
2. Pulse Telecom, LLC’s tariff, P.S.C. MO No. 1 is canceled.
3. This order shall become effective on December 17, 2017.
4. This case may be closed on December 18, 2017.
