## ORDER CANCELING CERTIFICATES OF SERVICE AUTHORITY

Issue Date: December 15, 2011

Effective Date: January 14, 2012

On November 22, 2011, the Staff of the Missouri Public Service Commission ("Staff") filed a motion to cancel the certificates of service authority to provide competitive intrastate interexchange telecommunications services and nonswitched local exchange private line telecommunications services and accompanying tariff granted to Main Street Telephone Company ("Company"). The Company was granted its certificates on September 15, 1998 in File No. TA-98-28. The Company's tariff, P.S.C. Mo. No. 1, was also approved.

In support of its motion, Staff states that on August 31, 2011 the Commission received a Ceasing Operations Statement from the Company stating that the Company has no customers in Missouri and requests that the Commission cancel the Company's authority and the accompanying tariff effective immediately.

On November 29, 2011, the Commission issued an Order Directing Notice allowing any parties to file an objection or request a hearing no later than December 9, 2011. No objections or requests for a hearing were filed.

The Commission has the authority to cancel a certificate and tariff pursuant to Section 392.410(5), RSMo (Supp. 2010), which states that “[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.” Based on Staff’s motion, the Commission finds that the certificates of service authority and the accompanying tariff granted to Main Street Telephone Company shall be canceled.

1. The certificates of service authority to provide competitive intrastate interexchange telecommunications services and nonswitched local exchange private line telecommunications services granted to Main Street Telephone Company in File No. TA-99-28 are canceled.
