ORDER CANCELING AUTHORITY

Issue Date: July 24, 2023

Effective Date: August 23, 2023

On March 24, 2023, the Staff of the Commission (Staff) filed a motion asking the Commission to cancel the certificate of service authority of interexchange telecommunications and the registration to provide interconnected voice over internet protocol (IVoIP) of Bays-ET Highspeed (Bays or The Company). The Commission granted Bays a certificate of service authority to provide intrastate interexchange telecommunications in Case No. XA-2019-0003. The Commission also granted Bays registration to provide IVoIP in Case No. DA-2019-0001.

Staff's motion states that Bays failed to file an annual report for calendar years 2020 and 2021. Bays also failed to file its Statement of Revenue for calendar year 2020. Staff recommended that the Commission cancel the Company's registration.

The Commission has the authority to cancel a certificate pursuant to Section 392.410.5, RSMo, which states, in part, "[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion

or upon application of the person or company affected.” The Commission issued notice and allowed time to request a hearing. The Company has not responded.

Based on Staff’s motion, the Commission finds that the certificate and the registration granted to Bays shall be canceled.

THE COMMISSION ORDERS THAT:

1. The certificate of service authority to provide intrastate interexchange telecommunications in Case No. XA-2019-0003 is canceled.
2. The registration to provide interconnected voice over internet protocol service granted to Bays in Case No. DA-2019-0001 is canceled.
3. This order shall become effective on August 23, 2023.
4. This case may be closed on August 24, 2023.
