OF THE STATE OF MISSOURI**

In the Matter of the Name Change)	
Request of Operator Service Company to)	Case No. XN-2007-0416
Operator Service Company, LLC)	Tariff Nos. YX-2007-0766

STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and for its recommendation states:

1. In Case No. TA-93-202, the Commission granted Operator Service Company a certificate of service authority to provide intrastate interexchange telecommunication services in Missouri.

2. On April 25, 2007, Operator Service Company filed a new tariff (P.S.C. MO No. 2), with a proposed effective date of May 25, 2007, to reflect its change of name to Operator Service Company, LLC.

3. Commission rule 4 CSR 240-2.060 provides:

(5) A name change may be accomplished by filing the items below with a cover letter requesting a change of name. Notwithstanding any other provision of these rules, the items required herein may be filed by a nonattorney. Applications for approval of a change of name shall include:

(A) A statement, clearly setting out both the old name and the new name;

(B) Evidence of registration of the name change with the Missouri secretary of state; and

(C) Either an adoption notice and revised tariff title sheet with an effective date which is not fewer than thirty (30) days after the filing date of the application, or revised tariff sheets with an effective date which is not fewer than thirty (30) days after the filing date of the application.

4. In the attached Memorandum, which is labeled Appendix A, the Staff recommends that the Commission recognize the new name. The application clearly sets out the

old name of Operator Service Company and the new name of Operator Service Company, LLC. The application includes evidence of registration of the name change with the Missouri Secretary of State. The application includes a new tariff with the new name.

5. Commission rule 4 CSR 240-3.545 (20) requires the applicant to notify its customers at or before the next billing cycle of any name change affecting customer recognition of the company. The Staff suggest that this rule does not apply in the present circumstances because (1) the name change should not affect customer recognition of the company, and (2) the company does not have presubscribed customers.

WHEREFORE, the Staff recommends that the Commission issue an order to recognize the name change from Operator Services Company to Operator Services Company, LLC, and to approve the new tariff.

Respectfully submitted,

/s/ William K. Haas
