**BEFORE THE PUBLIC SERVICE COMMISSION**  
**OF THE STATE OF MISSOURI**

In the Matter of the Compliance of MVP                    )  
Communications, Inc., with the Commission's        )  
Order of March 17, 1995.                                    )     Case No. XO-2004-0194

**ORDER TO SHOW CAUSE**

On March 17, 1995, the Commission granted the joint application of ZTS, Inc., and MVP Communications, Inc., and recognized the change of corporate name from ZTS, to MVP. MVP represented in the application that it would file an adoption notice and adopt ZTS's existing tariff. Staff supported that suggestion and the Commission accordingly ordered MVP to either file an adoption notice or a new tariff within ten days of the effective date of the order, that is, by April 7, 1995. The Commission's records, however, do not show that MVP ever complied with this order of the Commission.

The Commission will open this case and direct MVP to show cause, if any it has, why the Commission should not cancel its certificate of service authority or direct its General Counsel to seek civil penalties against it or take some other, similar action in consequence of MVP's apparent disregard of the Commission's order of March 17, 1995.

**IT IS THEREFORE ORDERED:**

1. That this case is established for the purposes stated above.
2. That MVP Communications, Inc., shall, on or before November 26, 2003, file its response and therein show cause, if any it has, why the Commission should not

cancel its certificate of service authority or direct its General Counsel to seek civil penalties against it or take some other, similar action in consequence of MVP's apparent disregard of the Commission's order of March 17, 1995, as set out above.

3. That this order shall become effective on October 27, 2003.
