Case No. TK-2006-0070, Approved 8/12/05

Dear Secretary of the Commission:

Attached for filing pursuant to 4 CSR 240-3.513(6)(A) is an Interconnection Agreement ("ICA") Amendment which AT&T Missouri (previously known as SBC Missouri)¹ and XO Communications Services, Inc. ("XO") have entered into. This Amendment merely extends the term (until December 31, 2006) of an Amendment between the parties that was previously approved by the Commission on August 12, 2005, in Case No. TK-2006-0070, with respect to certain intervening/change of law, compensation, interconnection and trunking provisions of the parties' ICA.

As shown in the attached, both parties have signed the signature page, for purposes of the approval provisions of 4 CSR 240-3.513(6)(A)(3).

Please feel free to call me with any questions you may have regarding this filing.

Very truly yours,

Robert Gryzmala
