Re: File No. AW-2014-0329 In the Matter of a Working Case to Draft a Rule Regarding Utility Pay Stations and Loan Companies

Dear Ms. Fred,

On May 27, 2014 the Commission issued a, "Notice of Opportunity to Comment and Request for Responses" in File No. AW-2014-0329. In part, the notice stated that, "[a]ll Missouri regulated utilities that are not small utility companies shall provide information, including contracts, to Staff concerning their use of pay stations no later than June 25, 2014."

Summit Natural Gas of Missouri, Inc. currently has an agreement with FISERV/Check Free. They offer many payment locations throughout Missouri, typically Wal-Mart, for customers to pay their gas bill if it is not past due. Currently, Summit Natural Gas of Missouri, Inc. does not use any pay day lenders as authorized pay agents.

Should you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Martha Wankum".
