ORDER GRANTING MOTION FOR CLARIFICATION

Issue Date: October 31, 2012

Effective Date: October 31, 2012

On October 18, 2011, the Commission issued an Order Recognizing Additional Name. On October 16, 2012, Staff filed a Motion for Clarification.

In the motion, Staff explains that the Commission order allows Nexus Communications, Inc. to use its d/b/a of "Reachout Wireless" interchangeably with Nexus. Staff points out that all activities of the certificated telecommunications company should be conducted under the name "Nexus Communications, Inc.", and that all activities of the wireless company providing Lifeline service as a designated ETC should be conducted under the name "Reachout Wireless". Staff moves the Commission to so clarify its prior order.

Commission Rule 4 CSR 240-2.080(15) allows parties ten days to respond to pleadings unless otherwise ordered by the Commission. The Commission issued no order to the contrary, and received no objection to Staff's pleadings within ten days. Thus, the Commission will clarify its order as requested by Staff.

THE COMMISSION ORDERS THAT:

1. The Staff of the Commission's Motion for Clarification is granted.

2. This order shall become effective immediately on issuance.
3. This case shall be closed.
