steam jurisdictions.)
)

ORDER ESTABLISHING DOCKET AND SETTING INTERVENTION DATE

On August 3, 1993, the Commission issued an Order Setting Technical Conference And Establishing Separate Docket in Case No. EO-93-351 which, *inter alia*, ordered this docket to be established for the purpose of considering issues related to the allocation of St. Joseph Light & Power Company's costs between its electric, gas and steam jurisdictions.

The Commission determines that this docket should be established as it previously ordered in Case No. EO-93-351, that an intervention date should be set, technical conferences should be ordered, and that a date be set for the filing of a procedural schedule.

IT IS THEREFORE ORDERED:

1. That this docket be hereby established for the purpose of considering issues related to the allocation of St. Joseph Light & Power Company's costs between its electric, gas and steam jurisdictions.

2. That any proper person or entity desiring to intervene and participate in this proceeding shall, except for good cause shown, file its application to intervene and serve a copy of same upon St. Joseph Light & Power Company's attorney on or before September 13, 1993.

3. That technical conferences for the parties to consider the scope of the investigation herein ordered, the kinds of work which must be done before filing testimony, and the test year to be used as a basis for analysis of the

allocation between the electric, gas and steam jurisdictions of St. Joseph Light & Power Company, be hereby set to be held in the Commission's offices in the Harry S Truman State Office Building, 301 West High Street, Jefferson City, Missouri, on September 8, 1993 and October 4, 1993.

4. That the parties file a memorandum setting out those issues agreed to be considered in the allocation between the electric, gas and steam jurisdictions of St. Joseph Light & Power Company, the proper test year, and a procedural schedule, by November 4, 1993.

5. That this order shall become effective on the date hereof.
