OF THE STATE OF MISSOURI**

In the Matter of the Cancellation of Certificate of)	
Service Authority and Cancellation of Tariff of)	File No. XD-2011-0
OpTex, Inc.)	JX-2003-0768

STAFF MOTION FOR CANCELLATION

COMES NOW the Staff of the Missouri Public Service Commission and for its Motion, states as follows:

1. On July 1, 1996, OpTex, Inc. was granted authority to provide interexchange telecommunications services in File No. TA-96-392. On January 20, 1998, the Commission approved of the acquisition of OpTex by Claremont Technology Group in File No. TA-98-128. The Commission's decision recognizes that OpTex will be the surviving entity, and its tariff, JX-2003-0768, remains in effect.
2. As of the present date, the Missouri Secretary of State shows that OpTex is administratively dissolved.
3. Because OpTex cannot lawfully operate in the State of Missouri, Staff moves the Commission cancel the certificate and tariff.
4. The Commission has the authority to cancel a telecommunications certificate pursuant to Section 392.410.5 RSMo 2000, which provides "[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected."

WHEREFORE, Staff recommends that the Commission cancel the Certificate of Service Authority and tariff for OpTex, Inc.

Respectfully submitted,

Colleen M. Dale
