

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

Cancellation of Certificate of Service)	
Authority and Cancellation of Tariff of)	File No. XD-2011-0217
Quasar Communications Corporation)	

WITHDRAWAL OF STAFF MOTION

COMES NOW the Staff of the Missouri Public Service Commission and states as follows:

1. On January 3, 2011, the Staff filed a Motion to Cancel the certificate of service authority granted on June 9, 2005, to Quasar Communications Corporation (“the Company”), because it reported no Missouri jurisdictional revenue for the past two years. Staff’s motivation for its filing was not to be punitive, but to merely remove those telecommunications companies not actively involved in providing services in Missouri to better maintain the Commission’s records.

2. On January 31, 2011, the Staff received the attached e-mail, in which the company indicates that it is presently conducting telecommunications business in Missouri. The Staff’s Motion, if granted, could impede the Company’s provision of telecommunications services in Missouri, which the Staff views as an undesirable result.

WHEREFORE, Staff withdraws its Motion to cancel the Certificate of Service Authority and tariff for Quasar Communications Corporation and asks that this matter be closed without further Commission action.

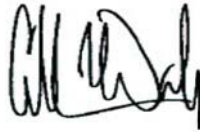

Respectfully submitted,

Colleen M. Dale

Subject: Case No: XD-2011-0217

Dear Ms. Dale,

We have received an email stating the cancellation of Certificate for Quasar Communications Corporation (Case No. XD-2011-0217)

I called the Missouri Public Service Commission office and informed me that due to zero revenue reporting in prior years our certificate was canceled.

Note that we just file our annual report for year 2010 and we do have revenue in the amount of 3,155.40.

Please advice how to reinstate the certificate to continue to operate in your state.

Sincerely

Elise Escamilla
President
