Case No. WR-2007-0216, et al.

ORDER DIRECTING MISSOURI-AMERICAN WATER COMPANY AND
THE CITY OF JEFFERSON TO FILE A STATUS REPORT

Issue Date: August 16, 2007

Effective Date: August 16, 2007

On August 15, 2007, the Commission issued an order establishing the post-hearing schedule in this matter. In that order the Commission noted that during the evidentiary hearing, the City of Jefferson ("City") confirmed that it was in the process of formalizing a separate Stipulation and Agreement with Missouri-American Water Company ("MAWC") to resolve separate issues the City has with MAWC concerning back-up power generation, water storage and small main replacement. The Commission will direct the City and MAWC to file a status report with regard to that separate agreement.

IT IS ORDERED THAT:

1. No later than August 17, 2007, Missouri-American Water Company and the City of Jefferson shall jointly file a status report with the Missouri Public Service Commission as described in the body of this order.

2. This order shall become effective on August 16, 2007.
