SECTION 3 - DESCRIPTION OF SERVICES

3.4 Outbound Services-Switched Access (continued)

3.4.3 Consumer Outbound Services (continued)

(N) 150 Block of Time¹ (continued)

- .2 For a specified monthly recurring charge, the Customer receives a specific amount (block) of time for placing one plus (1+) Direct-Dialed outbound calls that originate from a line presubscribed to the Company. For a monthly recurring charge, the Customer receives a 150 MOU (block) of intrastate and/or interstate one plus (1+) Direct-Dialed calling. All usage in excess of the selected block of time will be billed at a fixed rate per minute. See Section 4.4.3 (N) of this Tariff for the per minute rate after the block of time has been used. Any minutes not used in a billing cycle will not be carried over to the next billing cycle. No credits will be given for any unused minutes.
- .3 The block of time selected at the time the Customer's order is processed will remain in effect until cancelled or changed by the Customer. Changes to a block of time plan will be effective on the day the Customer's change order is processed. If an existing Customer initially subscribes to the 150 Block of Time in the middle of its billing cycle, the change will be effective on the first day after the Customer's change order is processed.

¹ This Service is no longer available to new Customers or existing Customers at new locations effective July 9, 2003.

SECTION 3 - DESCRIPTION OF SERVICES

3.4 Outbound Services-Switched Access (continued)

3.4.3 Consumer Outbound Services (continued)

(U) Platinum Plans

- .1 Platinum Plans are outbound only Services. Customers or End Users can access the Company's long distance Service by dialing 1 + the area code + the called telephone number from their presubscribed telephone line. All calls are billed in increments of one (1) minute subject to a minimum connect time (initial period) of one (1) minute. These Services are established at the BTN level. If a Customer selects a different Service or price plan for specific WTN(s), the Customer is required to establish a separate BTN for each variation. Platinum Plans are available to new and existing Residential Customers that:
 - .a use Switched Access to reach the long distance network;
 - .b subscribe to one of the Platinum Plans for the provision of interstate service and InterLATA intrastate Service for 1+ outbound direct dialed calls;

- .4 Customer subscribing to the Platinum Plans may choose from a variety of rate options which include flat rated options and block of time options. With flat rated options, the Customer is charged a rate per minute irrespective of the distance the call is carried or the time-of-day or day-of-week the call is placed. No MRC is associated with the Flat Rate. With block of time options for a specified MRC, the Customer receives a specific amount (block) of time for placing one plus (1+) Direct-Dialed outbound calls that originate from a line presubscribed to the Company. All usage in excess of the selected block of time will be billed at a fixed rate per minute. Any minutes not used in a billing cycle will not be carried over to the next billing cycle. No credits will be given for any unused minutes.
- .5 Depending on the block-of-time rate option selected by the Customer, plans are available for night/weekend (off-peak) calling and anytime calling. The night/weekend or off-peak rate period is from 9:00 p.m. to but not including 7:00 a.m. Monday through Friday and 9:00 p.m. Friday to but not including 7:00 a.m. Monday.

As a result of non-standard or nonresidential use of Service, the Company may move the Customer Fallback and the rates described in Section 4.4.3 (AG) of this Tariff will apply. If the Customer is moved off this Service because of the previously described reasons, the Customer may be ineligible to resubscribe to this Service.

.4 Optional Feature

Customers subscribing to Unlimited Nationwide Calling Services are eligible for the Call Detail Suppression optional feature. Call Detail Suppression feature provides a summary of all zero-rated calls included in this optional calling plan, displaying 'total minutes' and 'total number of calls' in lieu of itemizing each call in the "Call Charges" section of the bill.

T

The Call Detail Suppression optional feature is available at no additional charge. Customers who select this optional feature may request the itemized call detail of the Customer's zero-rated calls for up to twenty-four (24) previous months' bills at no charge. Activation and deactivation of the feature will begin on the Customer's next billing cycle. Customers may add or remove the Call Detail Suppression optional feature for Unlimited Nationwide Calling Services without charge.
