TARIFF FORMAT

- A. **Page Numbering** – Page numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the tariff. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between Page 14 and 15 would be 14.1.
- B. **Page Revision Numbers** – Revisions numbers also appear in the upper right corner of each page. These numbers are used to determine the most current page version on file with the Missouri Public Service Commission. For example, the 4th revised Page 14 cancels the 3rd revised Page 14.
- C. **Paragraph Numbering Sequence** – There are various levels of paragraph coding. Each level of coding is subservient to its next higher level:

SECTION TWO – RULES AND REGULATIONS

2.1 Undertaking of the Company

2.1.1 Intellextrace Inc. is a competitive provider of interexchange telecommunication services provided only to businesses.

2.2 Obligations of the customer

2.2.1 The customer shall be responsible for:

2.2.1.1 The payment of all applicable charges pursuant to this tariff;

2.2.1.2 Reimbursing the company for damage to, or loss of, the Company's facilities or equipment caused by the acts of omissions of the customer; or the noncompliance by the customer, with these regulations, or by fire or theft or other casualty on the customer's premises unless caused by the negligence or willful misconduct of the employees or agents of the Company.

2.2.1.3 Providing at no charge, as specified from time to time by the Company, any needed space and power to operate the Company's facilities and equipment installed on the customer's premises.

2.2.1.4 Complying with all laws and regulations regarding the working conditions on the premises at which the Company's employees and agents shall be installing or maintaining the company's facilities and equipment. The customer may be required to install and maintain the Company's facilities and equipment within a hazardous area if, in the Company's opinion, injury or damage to the company's employees or property might result from installation or maintenance by the Company. The customer shall be responsible for identifying, monitoring, removing the disposing of any hazardous material prior to any construction or installation work.

SECTION TWO - RULES AND REGULATIONS (Cont'd)

- 2.2.1.6 Making Company facilities and equipment available periodically for maintenance purposes at a time agreeable to both the Company and the customer. No allowance for interruptions in service will be made for the period during which service is interrupted for such purposes.
- 2.2.2 With respect to any service or facility provided by the Company, the customer shall indemnify, defend and hold harmless the Company from all claims, actions, damages, liabilities, costs and expenses for:
- 2.2.2.1 Any loss, destruction or damage to property of the Company or any third party, or injury to persons, including, but not limited to, employees or invitees of either the Company or the customer, to the extent caused by or resulting from the negligent or intentional act or omission of the customer, its employees, agents, representatives or invitees; or
- 2.2.2.2 Any claim, loss, damage, expense or liability for infringement of any copyright, patent, trade secret, or any proprietary infringement of any copyright, patent, trade secret, or any proprietary or intellectual property right of any third party, arising from any act or omission by the customer.
- 2.2.3 The customer is responsible for ensuring that customer-provided equipment connected to Company equipment and facilities is compatible with such equipment and facilities. The connection, operation, testing, or maintenance of such equipment shall be such as not to cause damage to the Company-provided equipment and facilities or injury to the Company's employees or other persons. Any additional protective equipment required to prevent such damage or injury shall be provided by the Company at the customer's expense.
- 2.2.4 The Company's services (as detailed in this tariff) may be connected to the services or facilities or other communications carriers only when authorized by, and in accordance with, the terms and conditions of the tariffs or contracts which are applicable to such connections.
- 2.2.5 Upon reasonable notification to the customer, and at a reasonable time, the Company may make such tests and inspections as may be necessary to determine that the customer is complying with the requirements set forth in this tariff for the installation, operation, and maintenance of customer-provided facilities and equipment that is connected to Company-owned facilities and equipment.

SECTION TWO - RULES AND REGULATIONS (Cont'd)

2.3 Liability of the Company

2.3.1 In view of the fact that the customer has exclusive control over the use of service and facilities furnished by the Company, and because certain errors incident to the services and to the use of such facilities of the Company are unavoidable, services and facilities are furnished by the Company subject to the terms, conditions and limitations herein specified:

2.3.2 Service Irregularities

2.3.2.1 The liability of the Company for damages arising out of mistakes, omissions, interruptions, delays, errors or defects in transmission, or failures or defects in facilities furnished by the Company, occurring in the course of furnishing service or other facilities and not caused by the negligence of the customer, shall in no event exceed an amount equivalent to the proportionate charge to the customer for the service or facilities affected during the period such mistake, omission, interruption, delay, error or defect in transmission, or failure or defect in facilities continues after notice and demand to Company.

2.3.2.2 The Company shall not be liable for any act or omission of any connecting carrier, underlying carrier or local exchange Company except where Company contracts the other carrier; for acts or omission of any other providers of connections, facilities, or service; or for culpable conduct of the customer or failure of equipment, facilities or connection provided by the customer.

2.3.3 Claims of Misuse of Service

2.3.3.1 The Company shall be indemnified and saved harmless by the customer against claims for libel, slander, fraudulent or misleading advertisements or infringement of copyright arising directly or indirectly from material transmitted over its facilities or the use thereof; against claims for infringement of patents arising from combining or using apparatus and systems of the customer with facilities of the Company; and against all other claims arising out of any act or omission of the customer in connection with the services and facilities provided by the Company.

2.3.3.2 The Company does not require indemnification from the customer where the action for which it is seeking indemnification is based on a claim of negligence by the Company.

SECTION TWO - RULES AND REGULATIONS (Cont'd)

2.3.4 Defacement of Premises

2.3.4.1 The Company is not liable for any defacement of, or damage to, the customer's premises resulting from the furnishing of service or the attachment of equipment and facilities furnished by the Company on such premises or by the installation or removal thereof, when such defacement or damage is not the result of negligence of the Company. For the purpose of this paragraph, no agents or employees of the other participating carriers shall be deemed to be agents or employees of the Company except where contracted by the Company.

2.3.5 Facilities and Equipment in Explosive Atmosphere, Hazardous or Inaccessible Locations

2.3.5.1 The Company does not guarantee nor make any warranty with respect to installations provided by it for use in an explosive atmosphere. Company shall be indemnified, defended and held harmless by the customer from and against any and all claims, loss, demands, suits, or other action, or any liability whatsoever, whether suffered, made, instituted or asserted by the customer or by any other party, for any personal injury to or death of any person or persons, and for any loss, damage or destruction of any property, including environmental contamination, whether owned by the customer or by any other party, caused or claimed to have been caused directly or indirectly by the installation, operation, failure to operate, maintenance, presence, condition, location, use or removal of any equipment or facilities or the service and not due to the gross negligence or willful misconduct of the Company.

2.3.6 Service at Outdoor Locations

2.3.6.1 The Company reserves the right to refuse to provide, maintain or restore service at outdoor locations unless the customer agrees in writing to indemnify and save the Company harmless from and against any and all loss or damage that may result to equipment and facilities furnished by the Company at such locations. The customer shall likewise indemnify and save the Company harmless from and against injury to or death of any person which may result from the location and use of such equipment and facilities.

SECTION TWO - RULES AND REGULATIONS (Cont'd)

2.3.7 Warranties

2.3.7.1 THE COMPANY MAKES NO WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED EITHER IN FACT OR BY OPERATION OF LAW, STATUTORY OR OTHERWISE, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE, EXCEPT THOSE EXPRESSLY SET FORTH HEREIN.

2.3.7.2 Acceptance of the provisions of Section 2.3 by the Commission does not constitute its determination that any disclaimer of warranties or representations imposed by the Company should be upheld in a court of law.

2.3.8 Limitation of Liability

2.3.8.1 Nothing in this tariff shall be construed to limit the Company's liability in cases of gross negligence or willful misconduct.

2.4 Application for Service

2.4.1 Minimum Contract Period

2.4.1.1 Except as otherwise provided, the minimum contract period is one month for all services furnished. However, if a new business customer notifies the Company within twenty days after receipt of the first bill that certain services or equipment are not desired, the Company will delete such services or equipment from the customer's account without a record keeping or service ordering charge. The customer nonetheless shall be responsible for all monthly charges and installation charges incurred for the use of such service and equipment.

2.4.1.2 Except as provided in 2.4.2.1, the length of minimum contract period for directory listings, and for joint user service where the listing actually appears in the directory, is the directory period. The directory period is from the day on which the directory is first distributed to customers to the day the succeeding directory is first distributed to customers.

2.4.1.3 The Company may require a minimum contract period longer than one month in connection with special, non-standard types or arrangements of equipment, or for unusual construction, necessary to meet special demands for service.

SECTION TWO - RULES AND REGULATIONS (Cont'd)

2.4.2 Cancellation of Service

- 2.4.2.1 Where the applicant cancels an order for service prior to the start of the installation or special construction of facilities, no charge shall apply, except to the extent the Company incurs a service order or similar charge from a supplying carrier, if any, prior to the construction.
- 2.4.2.2 Where the installation of facilities, other than those provided by special construction, has been started prior to cancellation, the lower of the following charge applies;
- A The total costs of installing and removing such facilities; or
 - B. The monthly charges for the entire initial contract period of the service ordered by the customer as provided in this tariff plus the full amount of any applicable installation and termination charges.
- 2.4.2.3 Where special construction of facilities has been started prior to the cancellation, and the Company has another requirement for the specially constructed facilities, no charge applies.

2.5 Payment for Service

- 2.5.1 Service will be billed directly by the Company on a monthly basis and is due and payable upon receipt or as specified on the customer's bill. Service will continue to be provided until canceled by the customer or discontinued by the Company as set forth in Section 2.14 of this tariff.
- 2.5.2 The customer is responsible for payment of all charges for service furnished to the customer. Charges based on actual usage during a month will be billed monthly in the month following the month in which the service was used. All fixed monthly and nonrecurring charges for services ordered will be billed monthly in advance.

SECTION TWO - RULES AND REGULATIONS (Cont'd)

- 2.5.3 The Company reserves the right to require from an applicant for service advance payments of fixed charges and nonrecurring charges. The advance payment will not exceed an amount equal to the nonrecurring charge(s) and one month's charges for the service or facility. In addition, where special construction is involved, the advance payment may also include an amount equal to the estimated nonrecurring charges for the special construction. The advance payment will be applied to any indebtedness for the service and facilities for which the advance payment is made on the customer's initial bill.

Advanced payments for installation costs or special construction will be credited on the first bill in their entirety.

- 2.5.4 If the Company provides service under a term plan (1,3,5 years, etc.) and (1) automatically renews the contract, and (2) imposes a penalty for early cancellation by the customer, then the customer shall be notified 60 days in advance of the customer's current contract expiration date.

2.6 Customer Deposits

- 2.6.1 The Company agrees to abide by the regulations associated with nonresidential customer deposits as specified by the Missouri Public Service Commission.

- 2.6.2 In order to establish credit, the Company may require an applicant for nonresidential service to demonstrate good paying habits by showing that the applicant:

- 2.6.2.1 Was a customer of a Missouri utility for at least 12 months within the preceding 2 years;
- 2.6.2.2 Does not currently owe any outstanding bills for utility service to a utility doing business in Missouri.
- 2.6.2.3 Did not have service discontinued for nonpayment of a utility bill during the last 12 months that service was provided; and
- 2.6.2.4 Did not fail, on more than two occasions during the last 12 months that service was provided, to pay a utility bill when it became due.

SECTION TWO - RULES AND REGULATIONS (Cont'd)

- 2.6.3 Deposits for establishment or reestablishment of credit will not be more than the estimated charge for service for 2 consecutive billing periods or 90 days, whichever is less.
- 2.6.4 Customer deposits will receive interest, at a rate set forth in Rule 515-12-1-.05, Section (4).
- 2.7 Late Payment Charges
- 2.7.1 The Company agrees to abide by the regulations governing late payment charges as specified by the Missouri Public Service Commission Rules as amended from time to time.
- 2.7.2 Any charges that are disputed by a customer shall not be subject to late payment charges regardless of the outcome of the dispute.
- 2.7.3 Late payment charge of one and one half percent (1.5%) can only be applied to a customer's bill when the previous month's bill has not been paid in full by the billing date and the balance is greater than \$20.
- 2.8 Customer Complaints and Billing Disputes
- 2.8.1 Customers may notify the Company of billing or other disputes either orally, by phone or in person; or in writing by written notification or by email. The time limit for submitting disputes to the Company is ninety (90) days.

2.13 Termination of Service

2.13.1 Denial of Service Without Notice

The Company may discontinue service without notice for any of the following reasons:

- A. Hazardous Condition. For a condition on the customer's premises determined by the Company to be hazardous.
- B. Adverse Effect on Service. Customer's use of equipment in such a manner as to adversely affect the Company's equipment or the Company's service to others.
- C. Tampering With Company Property. Customer's tampering with equipment furnished and owned by the Company.
- D. Unauthorized Use of Service. Customer's unauthorized use of service by any method which causes hazardous signals over the Company's network.
- E. Illegal use of Service. Customer's use of service or equipment in a manner to violate the law.

2.13.2. Denial of Service Requiring Notice

2.13.2.1 The Company may deny service for any of the following reasons provided it has notified the customer of its intent to deny service and has allowed the customer a reasonable time to comply.

- A. For violations of or non-compliance with the Commission's Regulations governing service supplied by telecommunication utilities, or for violation of or non-compliance with the utility's rules or tariffs on file with the Commission.
- B. For failure to comply with municipal ordinances or other laws pertaining to telephone service.
- C. Refusal of Access. For failure of the customer to permit the Company to have reasonable access to its equipment.

SECTION TWO - RULES AND REGULATIONS (Cont'd)

2.13.3 Insufficient Reasons for Denial of Business Service

2.13.3.1 The following may not constitute cause for refusal of service to a present or prospective customer:

- A. The customer who believes he has been refused service for insufficient reason, or the utility which believes the customer is attempting to violate the intent of these Rules, shall have the right to appeal the case to the Commission for analysis and disposition;
- B. Failure to pay directory advertising charges.

2.14 Unlawful Use of Service

2.14.1 Service shall not be used for any purpose in violation of law or for any use as to which the customer has not obtained all required governmental approvals, authorizations, licenses, consents, and permits. The Company shall refuse to furnish service to an applicant or shall disconnect the service without notice of a customer when:

- A. An order shall be issued, signed by a judge finding that probable cause exists to believe that the use made or to be made of the service is prohibited by law, or
- B. The Company is notified in writing by a law enforcement agency acting within its jurisdiction that any facility furnished by the Company is being used or will be used for the purpose of transmitting or receiving gambling information in interstate or foreign commerce in violation of the law.

2.14.2 If service has been physically disconnected by law enforcement officials at the customer's premises and if there is not presented to the Company the written finding of a judge, then upon written or verbal request of the subscriber, and agreement to pay restoral of service charges and other applicable service charges, the Company shall promptly restore such service.

Novato, CA 94949

SECTION FOUR – RATES AND CHARGES (Cont'd)

- 4.6.3 A rate shall not be changed unless it has been in effect for at least thirty (30) days.
- 4.6.4 A customer can request that the Company disconnect service that is provided under the Flexible Pricing plan due to a price increase. The customer will be credited for the difference between the new price and the old price retro-active to the effective date of the price increase if the customer notifies the company of its desire to disconnect service within ten (10) days of receiving notification of the price increase.
- 4.7 Service Calls
- When a customer reports trouble to the Company for clearance and no trouble is found in the facilities, the customer may be responsible for payment of a charge calculated from the time Company personnel are dispatched to the customer premise until the work is completed.
- 4.8 Digital Transmission Services
- 4.8.2 Non-recurring and monthly recurring rates apply for each Digital Transmission Service furnished by the company. Typically, three (3) standard rate elements are used in calculating the monthly recurring rate for each service.
- 4.8.3 Local Distribution Channel (LDC): this rate element applies to each end-point of a digital channel.
- 4.8.4 Interoffice Channel Mileage-Fixed: This rate element applies per digital channel whenever there is mileage associated with the channel; a digital channel has mileage associated with it when the end-points of the channel are located in geographic areas normally serviced out of separate telephone company end offices.

SECTION FOUR - RATES AND CHARGES (Cont'd)

4.11 Critical Facilities Administration Service

4.11.1 General Description of Service

Critical Facilities Administration Service (CFAS) provides physical route information to customers with Telecommunications Service Priority (TSP) qualified circuits, provided by the Company. The customer may request an enhance design layout record or may request a schematic/map layout (Circuit Layout Record). Request must be made in writing by authorized personnel. If the Company is acting as the Prime Contractor, the Company will obtain the physical routing information for their portion of the qualified circuit from its subcontractors.

4.11.2 Customer Obligations

Customers' circuits must be federally registered as TSP circuits.

4.11.2.2 Customers must subscribe to the Critical Facilities Administration Service (CFAS) offered by the Company and identify which qualifying circuits it wishes to enroll in the service. Such circuits will be referred to as "subscribed circuits."

4.11.2.3 Customers must agree to treat all network information provided to them regarding their subscribed circuits as confidential.

4.11.3 Obligations of the Company

4.11.3.1 The Company will maintain data relative to that customer's subscribed circuits and restrict access by other customers.

4.11.3.2 The Company will identify the physical path of each subscribed circuit for each customer so it allows the customer to ascertain with a reasonable degree of accuracy the actual physical path of each subscribed circuit.

4.11.3.3 The Company will maintain facilities associated with subscribed circuits in such a manner as to ensure that the customer is notified of any change in the physical routing of its subscribed circuit(s).

SECTION FOUR - RATES AND CHARGES (Cont'd)

4.11.3 Obligations of the Company (cont'd)

- 4.11.3.4 The Company will make available physical path information for newly provisioned subscribed circuits to the customer within 5 business days after the circuit has been installed, and within 15 business days for existing TSP circuits.
- 4.11.3.5 If customer has previously obtained documentation as the physical path of a subscribed circuit, the Company will provide at least 24-hour advance notification to the customer of any planned moves, changes, or rearrangements that affect the physical path of a subscribed circuit. Communications regarding unplanned activity will be provided within 24 hours following the change.
- 4.11.3.6 The Company will make available updated information regarding the revised physical path of subscribed circuits to the customer within 5 business days following planned actions, and within 15 business days following unplanned activities.
- 4.11.3.7 For circuits provided in concert with other carriers, the Company, when acting as the Prime Contractor will obtain and forward information regarding the connecting carrier's portion of the physical path of the subscribed circuit to the customer as expeditiously as possible.
- 4.11.3.8 Provision of CFAS will be suspended in the instance of a major telephone outage. Once subscribed circuits are restored to service, the Company will make updated physical path information available to the customer within ninety days of the restoration of service.

4.14 Service and Promotional Trials (cont'd)

4.14.2 Regulations

- 4.14.2.1 Appropriate notification of a service or promotional Trial will be made to all eligible customers and to the Commission and such services can become effective on no less than seven days prior notice to the Commission.
- 4.14.2.2 During a Service Trial, the service(s) is provided automatically to all eligible customers, except those customers who choose not to participate. Customers will be offered the opportunity to decline the trial service both in advance and during the trial. A customer can request that the designated service be removed at any time during the trial and not be billed a recurring charge for the period that the feature was in place. At the end of the trial, customers that do not contact the Company to indicate they wish to retain the service will be disconnected from the service at no charge.
- 4.14.2.3 During a Promotional Trial, the service is provided to all eligible customers who ask to participate. Customers will be notified in advance of the opportunity to receive the services in the trial for free. A customer can request that the service be removed at any time during the trial and not be billed a recurring charge for the period their service was in place. At the end of the trial, customers that do not contact the company to request that the service be disconnected will be billed for the service.
- 4.14.2.4 Customers can subscribe to any service listed as part of a Promotional Trial. The offering of this trial period option is limited in that a service may be tried only once per customer, per premises.

SECTION FOUR - RATES AND CHARGES (Cont'd)

4.15 Special Construction

4.15.1 Basis for Rates and Charges

Rates and charges for special construction will be based on the costs incurred by the Company and may include: (1) non-recurring type charges, (2) recurring type charges, (3) termination liabilities, or (4) combinations thereof.

4.15.2 Basis for Cost Computation

The cost may include one or more of the following items to the extent that they are applicable:

4.15.2.1 Cost installed of the facilities to be provided, including estimated costs for the rearrangements of existing facilities. Cost installed includes the cost of:

- A. equipment and materials provided or used,
- B. engineering, labor and supervision,
- C. transportation, and
- D. rights-of-way;

4.15.2.2 Cost of maintenance;

4.15.2.3 Depreciation on the estimated cost installed of any facilities provided, based on the anticipated useful service life of the facilities with an appropriate allowance for the estimated net salvage;

4.15.2.4 Administration, taxes and uncollectible revenue on the basis of reasonable average costs for these items;

4.15.2.5 License preparation, processing and related fees;

4.15.2.6 Tariff preparation, processing and related fees;

4.15.2.7 Any other identifiable costs related to the facilities provided; or

4.15.2.8 An amount for return and contingencies.

4.15.3 Termination Liability

- 4.15.3.1 To the extent that there is no other requirement for use by the Company, a termination liability may apply for facilities specially constructed at the request of the customer.
- 4.15.3.2 The termination liability period is the estimated service life of the facilities provided.
- 4.15.3.3 The amount of the maximum termination liability is equal to the estimated amounts for:
- A. Cost installed of the facilities provided including estimated costs for rearrangements of existing facilities and/or construction of new facilities as appropriate, less net salvage.
 - B. Cost installed including the cost of:
 - 1. equipment and materials provided or used,
 - 2. engineering, labor and supervision,
 - 3. transportation, and
 - 4. rights-of-way;
 - 5. license preparation, processing, and related fees;
 - 6. tariff preparation, processing, and related fees;
 - 7. cost of removal and restoration, where appropriate; and
