.567 Access Methods and Charges:

.5673 MCI Personal 800 Number

C/N

This service provides a toll free telephone number and a 4-digit security code to which calls may be received from any location within the state. The account will be billed for these in-state long distance and local toll calls at the per-minute rate set forth below. A 6-digit Rerouting Code will also be provided, which will allow the customer to use the "Follow Me" Routing feature."

"A personal 800 customer shares access to a toll free number with other customers. The customer may not retain the toll free number to any right therein if the Personal 800 service is discontinued. There is a limit of ten Personal 800 numbers per customer telephone number. The standard Holiday discounts do not apply to these calls."

"Follow-Me Routing: This feature allows a Personal 800 customer to change the telephone number to which calls to his or her Personal 800 number will be terminated. To make a Follow-Me change, a customer may use his or her Personal 800 number and the 6-digit Rerouting Code. There is no limit on the number of changes a customer may make."

The following per-minute rate will apply to all Personal 800 calls: \$0.45 per min.

C/N

.568 Directory Assistance: An undiscounted charge per call will be applied to each Directory Assistance call, subject to the rate and provisions set forth in Section B-6.08.

.569 Operator Assistance: The charges found in Section C-3.0264, herein, apply to all Basic Calling Plan G customers without regard to the type of access.

This service provides a toll free telephone number and a 4-digit security code to which calls may be received from any location within the state. The account will be billed for these in-state long distance and local toll calls at the per-minute rate set forth below. A 6-digit Rerouting Code will also be provided, which will allow the customer to use the "Follow Me" Routing feature."

"A personal 800 customer shares access to a toll free number with other customers. The customer may not retain the toll free number to any right therein if the Personal 800 service is discontinued. There is a limit of ten Personal 800 numbers per customer telephone number. The standard Holiday discounts do not apply to these calls."

"Follow-Me Routing: This feature allows a Personal 800 customer to change the telephone number to which calls to his or her Personal 800 number will be terminated. To make a Follow-Me change, a customer may use his or her Personal 800 number and the 6-digit Rerouting Code. There is no limit on the number of changes a customer may make."

The following per-minute rate will apply to all Personal 800 calls: \$0.45 per min.

C/N

.579 Directory Assistance: An undiscounted charge per call will be applied to each Directory Assistance call, subject to the rate and provisions set forth in Section B-6.08.

.580 Operator Assistance: The charges found in Section C-3.0264, herein, apply to all Basic Calling Plan H customers without regard to the type of access.

<sup>1</sup>Effective July 18, 2002, Option DDD (Basic Calling Plan H) will no longer be available to new customers.

Section C - SERVICE Descriptions and Rates (Cont'd)

3. METERED USE SERVICE (Cont'd)

.61 Integrated Calling Plan RZB-1 Service 1/

Integrated Calling Plan RZB-1 Service is available to Customers who enroll in Integrated Calling Plan RZB Service as described in this tariff who have two or more lines on their account.

Customers who subscribe to this service must 1) select and designate MCImetro Access Transmission Services, Inc., as its Local Exchange Carrier (LEC) and MCI WorldCom Communications as both its Interexchange Carrier (IXC) for interstate and intrastate calling and as its intraLATA toll provider for intraLATA toll calling, 2) subscribe to Residential RZB Service as described in this tariff, and 3) concurrent with enrollment in this plan, customers must also enroll in the companion residential service offered in <http://www.mci.com/service> and in the companion local exchange service described in MCImetro Access Tariff No.1.

A monthly recurring charge will apply to this service. This charge is identical to and shall not be in addition to any monthly recurring charge applicable to companion Federal Service or to companion State Service. The following are not included in the monthly recurring charge: non-recurring charges, operator assistance, directory assistance, directory listing options, interstate line charge, data usage charge, blocking options, taxes, surcharges, per use charges and custom calling features not included in the companion local service.

Customers will be charged a per-minute rate of \$0.07 for intrastate (interLATA and intraLATA) dial@1@ usage. Qualified customers who are unable to use a telephone directory because of physical disabilities will receive a per-minute rate of \$0.05 for interLATA and intraLATA dial"1" calls only.

.65 Option HHH (Basic Calling Plan L)<sup>1</sup>

Basic Calling Plan L is an outbound and inbound service designed primarily for residential customers. Basic Calling Plan L includes a flat rate structure for Dial 1, calling card and Personal 800 service. No term plan options will apply to this service. All intrastate Dial-1 calls and calling card calls will have 60 second or one minute rounding. If the computed charge includes a fraction of a cent, the fraction is rounded down to the nearest whole cent. A monthly charge will apply to this service.

.651 Monthly Account Fees: Customers enrolled in this plan will be charged a \$5.95 monthly recurring charge.

.652 Access Methods and Charges:

.6521 Dial-1 Access: Basic Calling Plan L can be used for Dial-1 access. Customers will receive the following rates for all intrastate (interLATA and intraLATA) dial-1 usage. Customers may place these calls 24 hours a day and 7 days a week.

InterLATA & IntraLATA Dial-1 per minute charge: \$0.07

.6522 Calling Card: Basic Calling Plan L Calling Card access is available for origination from touch tone or rotary phones by dialing an MCI provided 800 number. Customers will be charged a per minute rate of \$0.20 for all time periods for all intrastate calling card calls which terminate to the customers billed ANI. No per call surcharge will apply to these calls. Basic Calling Plan K customers will be charged a per minute rate of \$0.55 and a \$0.99 per call surcharge for all other interLATA and intraLATA calling card calls.

.6523 MCI Personal 800 Number

MCI Personal 800 Number provides a telephone number at which calls may be received from any location within the state of Missouri for a monthly subscription fee and one time installation fee identified in <http://www.mci.com/service>. The customer will be charged a per minute usage rate of \$.30. MCI WORLDCOM will provide to the customer an 800 telephone number, a 4 digit Security Code, and, upon request a 6 digit Rerouting Code which will allow the customer to use the "Follow-Me" Routing feature. The Friends and Family and standard Holiday discounts do not apply to these calls. A MCI Personal 800 Number customer shares access to an 800 number with other customers and acquires service based on a 4 digit Security Code assigned to the customer. Thus, a customer may not retain the 800 number or any right therein when his or her service is discontinued. There is a limit of ten numbers per customer telephone number for MCI Personal 800 Number.

.70 Business B1 Integrated Plan<sup>1</sup>

Business B1 is an outbound and inbound multipoint service for single or multiple location customers. Customers may access the MCI network using Dial "1" or calling card origination and/or inbound service using Toll Free origination. No term plan options will apply to this service. Customers who subscribe to this service must 1) select and designate MCImetro as its Local Exchange Carrier (LEC) and MCI WorldCom as both its Interexchange Carrier (IXC) for interstate and intrastate calling and as its intraLATA toll provider for intraLATA toll calling and 2) concurrent with enrollment in this plan, customers must also enroll in the companion local exchange service offered in MCImetro Access Transmission Services, LLC Tariff No. 1 and the companion service offered in <http://www.mci.com/service>. Calls are subject to a 30-second minimum initial period and are then rounded to the next higher 6-second increment, except for operator assisted calls which are calculated on a 60-second minimum duration basis with additional 60-second increments. If the computed charge includes a fraction of a cent, the fraction is rounded to the nearest whole cent.

A monthly recurring charge will apply to this service. This charge is identical to and shall not be in addition to any monthly recurring charge applicable to companion Federal Service or to companion Local Service. Customers may select one offering as described below. Additionally, customers will be charged the long distance rates as specified in the companion long distance service as set forth in <http://www.mci.com/service> and local exchange rates as described in MCImetro Access Transmission Services, LLC Tariff No. 1.

Customers may elect one of the Offerings available under this service:

Business B1 is an outbound and inbound multipoint service for single or multiple location customers. Customers may access the MCI network using Dial "1" or calling card origination and/or inbound service using Toll Free origination. No term plan options will apply to this service. Customers who subscribe to this service must 1) select and designate MCImetro as its Local Exchange Carrier (LEC) and MCI WorldCom as both its Interexchange Carrier (IXC) for interstate and intrastate calling and as its intraLATA toll provider for intraLATA toll calling and 2) concurrent with enrollment in this plan, customers must also enroll in the companion local exchange service offered in MCImetro Access Transmission Services, LLC Tariff No. 1 and the companion service offered in <http://www.mci.com/service>. Calls are subject to a 30-second minimum initial period and are then rounded to the next higher 6-second increment, except for operator assisted calls which are calculated on a 60-second minimum duration basis with additional 60-second increments. If the computed charge includes a fraction of a cent, the fraction is rounded to the nearest whole cent.

A monthly recurring charge will apply to this service. This charge is identical to and shall not be in addition to any monthly recurring charge applicable to companion Federal Service or to companion Local Service. Customers may select one offering as described below. Additionally, customers will be charged the long distance rates as specified in the companion long distance service as set forth in <http://www.mci.com/service> and local exchange rates as described in MCImetro Access Transmission Services, LLC Tariff No. 1.

Customers may elect one of the Offerings available under this service:

Offering A:

For a monthly recurring charge as specified in this tariff, Customers will be charged \$0.069 per minute for interstate and intrastate (interLATA and intraLATA) dial "1" and toll free usage. Customers will also receive local exchange service as described in Offering A of Business B1 service as described in MCImetro Access Transmission Services, LLC, Tariff No. 1, and interstate service as described in <http://www.mci.com/service/>.

Offering B:

For a monthly recurring charge as specified in this tariff, Customers will receive an allotment of up to 200 minutes per month of interstate and intrastate (interLATA and intraLATA) dial "1" described in companion long distance service in <http://www.mci.com/service> and this plan. Customers having domestic service dial "1" in excess of this allotment will be charged \$0.069 per minute for interstate and intrastate (interLATA and intraLATA) dial "1" usage. For customers enrolling in this plan after the first day of a billing cycle, this allotment will be pro-rated for that billing cycle. When a call under this service begins prior to the completion of customer's allotment of 200 minutes and ends after completion of the allotment, the rate in effect for the portion of the call after the achievement of the allotment will be \$0.069 per minute. Customers will also receive local exchange service as described in Offering B of Business B1 service as described in MCImetro Access Transmission Services, LLC Tariff No. 1, and interstate service as described in <http://www.mci.com/service/>.
