EXPLANATION OF SYMBOLS

A revision of a Tariff Page is coded to designate the type of change from the previous revision. These symbols, which appear in the right-hand margin of the Page, are used to signify:

| | | |
|-----|---|--|
| (C) | - | Change in regulation |
| (D) | - | Discontinued rate or regulation |
| (I) | - | Increased rate |
| (M) | - | Moved from another tariff location |
| (N) | - | New rate or regulation |
| (R) | - | Reduction in a rate or charge |
| (T) | - | Change in text but no change in rate or regulation |
| (Z) | - | Correction |

TARIFF FORMAT

- A. Sheet Numbering – Sheet numbers appear in the upper-right corner of the sheet. Sheets are numbered sequentially. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between Sheets Nos. 2 and 3 would be Sheet No. 2.1.
- B. Sheet Revision Numbers – Revision numbers also appear in the upper-right corner of the sheet. These numbers are used to determine the most current sheet version on file with the Commission. For example, the 2nd revised Sheet No. 2 canceling the 1st revised Sheet No. 2.
- C. Paragraph Numbering Sequence – There are three levels of paragraph coding. Each level of coding is subservient to its next higher level of coding.

1. Local Market Trial

1.1 General

1.1.1 Purpose

A market trial is intended to enable the Company to test its ability to provide digital phone services which may eventually be made available to the general public. As a part of a market trial, the Company may need to test the capabilities of systems required by a proposed service, including, but not limited to, systems needed to establish, provision, operate, bill and/or collect for service, whether such systems are provided by the Company or in combination with systems provided by other carriers or vendors. A market trial is not an offer to provide service to the general public. This market trial will begin on June 30, 2007 and end on May 31, 2008.

(T)

1.1.2 Eligibility

A maximum of 500 targeted participants may subscribe to services offered as a part of a local market trial.

1.1.3 Availability

Services subject to a local market trial are only available in exchanges where the Company has appropriate facilities in place.

1.1.4 Services

Services offered as part of a local market trial will include, but not be limited to, local exchange services, interexchange services, interexchange access, nonrecurring charges, custom features (e.g., custom calling, call control options, caller id, etc.), directory listings, operator services (e.g., directory assistance, collect calls, etc.), and E911.

1.1.5 Rates

Services offered as part of a local market trial will be competitively priced with comparable services offered by the incumbent local exchange company.

These rates may or may not reflect what the Company will actually be charging customers at the close of the market trial.

Various one-time charges (e.g., service order charges, installation charges, etc.), may be waived during the course of a market trial.

1.1.6 Payments

Billing and collection will be in accordance with all applicable Commission rules for services rendered as part of the local market trial.

1.1.7 Provision for Certain Local Taxes and Fees

Any assessments, franchise fees, privilege, license, occupation, excise, or other similar taxes, whether in a lump sum or at a flat rate, or based upon receipts, imposed upon the Company by any governmental authority shall be added pro rata, insofar as practical, to the bills of the market trial customers in amounts which in the aggregate for the Company's customers of any political entity shall be equal to the amount of any such tax upon the Company. The Company shall, so long as any such tax or fee is in effect, add to the bills of the customers in such political entity pro rata on the basis of the revenue, or as otherwise required and/or allowed by law, derived by the Company from each such customer, an amount sufficient to recover any such tax or fee.

1.1.8 Liability of the Company

The Company's liability, if any, for its willful misconduct is not limited by this tariff. With respect to any other claim or suit, by a customer or any others, for damages associated with the installation, provision, termination, maintenance, repair, or restoration of a service, the Company's liability, if any, shall not exceed an amount equal to the proportionate charge for the service for the period during which the service was affected.

The Company is not liable for any act or omission of any other communications provider which furnishes a portion of a service.

The Company shall be indemnified, defended, and held harmless against any claims, actions, damages, losses, liabilities, costs and expenses, including reasonable attorney's fees, arising from the use of services affected under this tariff.
