APPLICATION OF TARIFF

This tariff sets forth the service offerings, rates, terms and conditions applicable to the furnishing of basic local telecommunications services by Snappy Phone, (hereinafter "Company") with principal offices at 6901 W. 70th Street, Shreveport, LA, 71129. This tariff applies to services furnished in the State of Missouri. This tariff is on file with the Missouri Public Service Commission ("Commission"), and copies can be inspected there and at Company's principal place of business during normal business hours.

Snappy Phone is a reseller of residential telephone service, selling on a pre-paid basis only. Target markets are consumers with credit problems who cannot obtain conventional telephone service, those who need to know exactly how much their phone bill will be each month, i.e. those on fixed incomes, and those who need service for shorter periods of time, such as students and military personnel, and those unable to provide the deposits required by other CLEC's or ILEC's.

SYMBOLS

The following are the only symbols used for the purposes indicated below:

- D - Delete or Discontinue
- I - Change Resulting in an Increase to a Customer's Bill
- M - Moved from another Tariff Location
- N - New
- R - Change resulting in a Reduction to a Customer's Bill
- T - Change in Text or Regulation, but no change in Rate or Charge

TARIFF FORMAT

- A. Sheet Numbering: Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially; however, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between pages 11 and 12 would be 11.1.
- B. Sheet Revision Numbers: Revision numbers also appear in the upper right corner of each sheet where applicable. These numbers are used to indicate the most current page version on file with the Commission. For example, 4th Revised Sheet 13 cancels 3rd Revised Sheet 13. Consult the Check Sheet for the sheets currently in effect.
- C. Paragraph Numbering Sequence: There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
 - 2.
 - 2.1
 - 2.1.1
 - 2.1.1.A
 - 2.1.1.A.1

Missouri PSC Tariff No. 2
Original Sheet No. 8SECTION 2 – RULES AND REGULATIONS2.1 Undertaking of the Company

This tariff contains the regulations and rates applicable to local resale telecommunications services provided by Snappy Phone for telecommunications between points within the State of Missouri. Resale services are furnished subject to the availability of facilities and subject to the terms and conditions of this tariff in compliance with limitations set forth in the Commission's rules. The Company offers service to all those who desire to purchase service from the Company consistent with all of the provisions of this tariff. Customers interested in the Company's services shall file a service application with the Company, which fully identifies the Customer, the services requested and other information requested by the Company. Applications for initial or additional service made verbally or in writing become a contract upon the establishment of the service.

Additionally, Snappy Phone shall be responsible for the marketing practices of its contracted dealers and for their compliance with this provision. Snappy Phone understands that violation of this provision could result in a rule to show cause as to the withdrawal of its certification to complete local telecommunications traffic within the State of Missouri.

In accordance with interconnection agreements with GTE Midwest, Snappy Phone will provide intrastate telecommunication services in the following exchanges:

Alton	Ashland	Augusta	Ava
Belle	Bernie	Bland	Blue Eye
Bourbon	Bradleyville	Branson	Branson West

Local calling areas will be identical to the local calling areas of the incumbent local exchange carriers from which the Company purchases services, as those local call areas are defined in the tariffs of the incumbent local exchange carrier that have been filed with the Commission.

2.1.1 The services provided by Snappy Phone are not part of a joint undertaking with any other entity providing telecommunications channels, facilities or services.

2.1.2 The rates and regulations contained in this tariff apply only to the resale services furnished by Snappy Phone and do not apply, unless otherwise specified, to the lines, facilities or services provided by a local exchange telephone company or other common carrier for use in accessing the services of Snappy Phone.

2.2 Use of Services

2.2.1 Snappy Phone's services may be used for any lawful purpose consistent with the transmission and switching parameters of the telecommunications facilities utilized in the provision of services, subject to any limitations set forth in this Section 2.2

2.2.2 The use of Snappy Phone's services to make calls which might reasonably be expected to frighten, abuse, torment or harass another or in such a way as to unreasonably interfere with use by others is prohibited.

2.2.3 The use of Snappy Phone's services without payment for service or attempting to avoid payment by fraudulent means or devices, schemes, false or invalid numbers, or false calling or credit cards is prohibited.

2.3.8 With respect to Emergency 911 Service:

- A. Snappy Phone is obligated to supply the E-911 service provider in the Company's service area (the E-911 Service Provider) with accurate information necessary to update the E-911 database at the time the Company submits customer orders to the local exchange company whose service is being resold pursuant to this tariff.
- B. At the time Snappy Phone provides basic local service to a customer by means of the Company's own cable pair, or over any other exclusively owned facility, Snappy Phone will be obligated to make the necessary equipment or facility additions in the E-911 service provider's equipment in order to accurately and properly update the database for E-911.
- C. At the time Snappy Phone provides basic local service by means of its own cable pair or over any other exclusively owned facility, the Company will be obligated to provide facilities to route calls from the end users to the proper Public Safety Answering Point. Snappy Phone recognizes the authority of the E-911 customer to establish service specifications and grant final approval or denial of service configurations offered by Snappy Phone.
- D. Snappy Phone will collect 911 surcharges and remit all surcharge revenue to the appropriate governmental entity pursuant to RSMo 190.310.

Per line blocking for the blocking of CPN will be available upon request, at no charge, only to the following entities for lines over which the official business of the agency is conducted, including those at the residences of employees/volunteers, where an executive officer of the agency registers a need for blocking and provides the required certification to Snappy Phone; a private, nonprofit, tax-exempt, domestic violence intervention agencies and federal, state, and local law enforcement agencies. The CPN will not be transmitted from a line equipped with this capability. Per line blocking is operational on a continuous basis but can be deactivated by the customer by dialing an access code immediately prior to placing a call.

Line blocking customers can unblock their CPN information on a per call basis, at no charge, by dialing an access code (#82 on their TouchTone pad or 1182 from a rotary phone) immediately prior to placing a call.

A customer may prevent the delivery of the calling name and or number to the called party by dialing an access code (#67 on their TouchTone pad or 1167 from a rotary phone) immediately prior to placing a call. The access code will activate per call blocking, which is available at no charge. If the calling party activates blocking, the CCPN will not be transmitted across the line to the called party. Instead, calling Line Identification customers will receive an anonymous indicator. This anonymous indicator notifies the called Caller ID customer that the calling party has elected to block the delivery of their name and telephone number. The blocking of CPN will not be provided on calls originating from Customer-owned Pay Telephone Service. If the called Caller ID customer also subscribes to Anonymous Call Rejection, the calling party will be routed to a telephone company recording advising the caller that the called party will not accept calls whose CPN has been blocked.
