IMPORTANT MESSAGES:

KNOW WHAT'S BELOW. CALL BEFORE YOU DIG.

Our land is made up of a complex underground infrastructure of pipelines, wires and cables. Striking an underground utility line while digging can cause harm to you or those around you, disrupt service to an entire neighborhood, and potentially result in fines and repair costs.

Call 811 before every digging project. One free, easy call gets your utility lines marked and helps protect you from injury and expense. Visit www.call811.com for more information.

BE CAREFUL AROUND PIPELINE RIGHTS OF WAY

Yellow warning markers indicate the approximate route of larger pipelines and how to contact the operator. The right of way for a pipeline must always be kept clear, so that the line can be visually inspected and quickly repaired. Obstructions, such as buildings, cars and debris, must be kept off the right of way. State law requires you to call 811 at least two working days before digging to have pipelines or other utilities marked.

Understanding Your Bill...

You may obtain more information on our tariff and rates by calling our office at the number printed on the front of this bill. The following information explains items that may appear on your bill, depending on your type of service and local regulatory requirements.

Budget Billing Amount

If you're a Budget Billing customer, your bill will show the amount to be paid this month, as well as the actual account balance.

Commodity Charge / Cost / Gas Charge

This charge reflects the cost for gas used during the current billing period, before taxes and other charges.

Pressure Factor

Gas volumes can vary depending on elevation, local atmospheric pressure, or the need for increased delivery pressure. The Pressure Factor converts the metered gas volume to the actual gas volume delivered.

Meter Multiplier

The Meter Multiplier converts the metered Unit of Measure to the standard billing Unit of Measure, where applicable.

Estimated Bills

All usage is actual unless otherwise shown. If we do not physically read your meter in a given month, we will estimate volume based on your average gas use. It will be shown as "ESTIMATED USAGE" on your bill, and any necessary adjustments will be made after the next actual meter reading.

Customer Charge/Facility Charge/Base Rate

This portion of your gas service charge is a fixed amount each month and is not affected by the amount of gas you use.

Surcharge

Additional amount billed, if applicable.

Franchise Fee

This fee, if applicable, is charged by your city or county for the use of alleys, streets, and rights-of-ways for gas lines to provide your service. The fee is based on the amount of each customer's bill.

Prorated Bill

If applicable, we will adjust, or prorate, the delivery charge/customer charge on bills with more or less than the standard days of service.

Payment By Check

When you send us a check as a payment, you authorize us to clear your check electronically. If you usually get your checks back with your statement, you will no longer receive this check back.

Purchased Gas Adjustment (PGA)/Gas Cost Adjustment (GCA)

This measure reflects market increases and decreases in the price we pay for gas supplies without markup or other charges. It may vary monthly and is based on the amount of natural gas you use.

Rate Code

This identifies the rate schedule used to calculate the amount of your bill, based on the type of service you receive, as approved by the state's public utility commission.

Usage Explanation

CCF - Hundred Cubic Feet
MCF - Thousand Cubic Feet
MMCF - Million Cubic Feet
Therm - Heat Unit Equal to 100,000 BTU's
BTU - British Thermal Units

Special Services... You may sign up for these services at www.Libertyutilities.com, learn more about services at our web site or by calling the toll-free number on the front of this bill.

Electronic Billing Plan

You can receive your monthly bill electronically as an e-mail, and bill payments are made automatically each month from your financial institution. Sign up for our E-Bill Program online at www.Libertyutilities.com.

Budget Billing Plan

By signing up for our budget billing plan, you can spread out your gas utility payments over the entire year, smoothing out seasonal highs and lows. This plan also uses a "levelized process" to adjust for monthly changes in gas consumption and gas costs.

Payment Options

Automatic payment plan: Allows you to authorize the automatic transfer of funds directly from your financial institution to pay your Liberty Utilities bill each month.

By computer: Online customers can make a payment by check or credit card on our web site at www.Libertyutilities.com.

By telephone: Payments can be made by check or credit card by calling the toll-free number on the front of this bill.

At a payment center: A network of payment centers has been set up to process payments for customers who prefer to make payments in person. Be sure to take the entire bill with you to the payment center to ensure your payment can be accurately posted to your account. Some vendors may charge a fee.

By mail: Please mail your payment in time to arrive by the due date.

By Credit Card: Residential customers can pay their natural gas bill with a Visa or MasterCard credit card with no additional fee. Make a one-time payment or sign up to make recurring payments.

Community Energy Assistance Program

You can help others in need to pay their monthly gas bill by donating to your community's energy assistance program.

All donations are distributed to a local or area non-profit energy assistance agency(s) that serves your community. Visit Libertyutilities.com for information on which agency(s) received your donation.

Please choose an amount below to be billed monthly on your Liberty Utilities statement.

Thank you for sharing with those in need in your community.
