Re: Case No. XN-2006-0308 - Amendment of certificate and tariff – SBC Advanced Solutions, Inc.

On November 22, 2005 SBC Advanced Solutions, Inc. registered the assumed name "AT&T Advanced Solutions" with the Missouri Secretary of State (Certificate No. X00698924). A copy of the acknowledgement of this filing is enclosed for your reference.

SBC Advanced Solutions, Inc. hereby files this letter and supporting documents for approval to have its Certificate of Authority (Case No. TA-2000-260) and Missouri P.S.C. Tariff No. 1 and 2 reflect the addition of the assumed name "AT&T Advanced Solutions." ASI respectfully requests that the Missouri P.S.C Tariff No. 1 and 2 be given an effective date of March 2, 2006.

SBC Advanced Solutions, Inc. customers beginning in December, 2005 have been receiving information in their bills or via nation-wide mass media advertising announcing that SBC and AT&T have merged and are now one company. These messages are targeted to reach all segments of current and potential new customers for the new AT&T. These mass media and bill messages are provided by SBC Advanced Solutions, Inc.'s parent company, and customers readily recognize that SBC Advanced Solutions, Inc. is part of the broader SBC and now the new AT&T. All customers will receive that bill message at least 30 days prior to the change in their bill. Attached is a copy of the bill message they will receive.

I am also enclosing a self addressed envelope with an additional copy of the tariff title page. I will greatly appreciate it if you can stamp this copy and send it back for our records.

Thank you and please contact me if you have any questions.

Sincerely,

Manuel Camacho
