

**BEFORE THE PUBLIC SERVICE COMMISSION
STATE OF MISSOURI**

In the Matter of the General Rate Increase)		
for Water and Sewer Service Provided)	Case No.	WR-2007-0216
by Missouri-American Water Company.)		

ADVICE TO THE COMMISSION

COMES NOW Utility Workers Union of America Local 335, AFL-CIO (“UWUA 335”), by counsel, and advises the Commission as follows:

1. UWUA 335 did not join the parties in submitting the Amended List of Issues and Motion to Modify Order filed on August 29, 2007.
2. While it does not object to the outcome of the case proposed by the Nonunanimous Stipulation and Agreement, UWUA 335 has raised issues it considers to be live. These issues are: (1) whether MAWC has provided adequate training of its employees in dealing with asbestos-cement and lead-jointed pipe, (2) whether funds should be allocated to employee training or the removal of asbestos-cement and lead-jointed pipe, and (3) whether MAWC has properly asserted privilege with regard to its payroll information. However, UWUA 335 realizes that these issues may not be outcome determinative.

Respectfully submitted,
