TARIFF FORMAT

A. Sheet Numbering - Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 8 and 9 would be 8.1.

B. Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the Missouri Public Service Commission. For example, the 3rd revised Sheet 8 cancels the 2nd revised Sheet 8.

C. Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

2.
2.1.
2.1.1.
2.1.1.A.
2.1.1.A.1.
2.1.1.A.1.(a).

SECTION 1 - RULES AND REGULATIONS

1.1. Undertaking of Company

Eagle Communications Group, Inc.'s services and facilities are furnished for communications originating and terminating within the State of Missouri under the terms of this tariff.

1.2. Limitations

- 1.2.1. Service is offered subject to the availability of the necessary facilities and equipment, or both facilities and equipment, and subject to the provisions of this tariff.
- 1.2.2. The Company reserves the right to discontinue or limit service upon written notice when the customer is using the service in violation of this tariff, or in violation of the law.
- 1.2.3. The services provided under this tariff are directly or indirectly controlled by Eagle Communications Group, Inc. and the customer may not alter or affect the services nor transfer or assign its use of the services without the express written consent of the Company, which consent may be withheld, without limitation, by Eagle Communications Group, Inc. in its sole discretion at any time such alteration, effect, transfer or assignment would result in an interruption of the service or a change in the customer's location to which the services are to be provided.
- 1.2.4. In the event prior written permission from the Company is given for any assignment or transfer, all regulations and conditions contained in this tariff shall apply to all such permitted assignees or transferee.

SECTION 1 - RULES AND REGULATIONS

REC'D MAY 21 1999

1.3. Liabilities of the Company

1.3.1. The Company has no liability for damages arising out of mistakes, interruptions, omissions, delays, errors, or defects in the transmission occurring in the course of furnishing service or facilities. The Company's liability for such damages occurring in the course of furnishing the Company's services but not caused by its gross negligence or willful misconduct or that of its employees or agents, in no event shall exceed an amount equivalent to the proportionate charge to the customer for the period during which such mistakes, interruption, omissions, delays, errors, or defects in the Company's furnishing of its services occur.

1.4. Interruption of Service

1.4.1. Credit allowance for the interruption of service is subject to the general liability provisions set forth in Section 1.3.1. herein. The customer shall receive no credit allowance for interruption of service which is due to the Carrier's testing or adjusting, negligence of the customer, or to the failure of channels or equipment provided by the customer. It shall be the obligation of the customer to notify the Company immediately of any interruption in service for which a credit allowance is claimed. Before giving such notice, the customer shall ascertain that the trouble is not being caused by any action or omission within the customer's control, or is not in the wiring or equipment, if any, furnished by the customer in connection with the Company's services.

1.4.2. Credit for failure of service shall be allowed only when such failure is caused by or occurs due to causes within the control of the Company.

1.4.3. No credit shall be allowed:

(a) For failure of services or facilities of customer or other carriers; or

(b) For failure of services or equipment caused by the negligence or willful acts of customer or others.

SECTION 1 - RULES AND REGULATIONS

REC'D MAY 21 1999

1.7. Payment and Billing (continued)

- (C) The Company may require a deposit if the customer is unable to establish a good credit rating, or if the customer has undisputed charges in two (2) out of the last twelve (12) billing periods which have become delinquent. The deposit shall not exceed estimated charges for two month's service based on the average bill during the preceding twelve months or in the case of new applicants, two months' average bill for all subscribers within a customer class. The deposit shall bear interest at a rate of a 12 month certificate of deposit, and will be returned upon satisfactory payment of all undisputed charges during the last 12 billing periods, or discontinuance of service. The Company will pay an interest on deposits of nine percent (9%) per year unless the Commission Orders a change in the interest rate paid annually for deposits.
- (D) At the time an application for service is made, an applicant may be required to pay an amount equal to at least one month's service and/or service connection charges, will be applicable to the customer's account on the first bill rendered.

1.8. Discontinuance of Service

1.8.1. The Company may discontinue the service under the following circumstances, provided suitable notice has been given to the customer, as required.

- (A) Non-payment of any sum due to the Company for services for more than twenty-eight (28) days beyond the date of rendition of the bill for such service;
- (B) A violation of or failure to comply with any regulation governing the furnishing of service; or
