3. TERMS AND CONDITIONS (Continued).3 Liability of the Company

- .1 The liability of the Company for damages arising out of mistakes, omissions, interruptions, delays, errors, or defects in the transmission occurring in the course of furnishing service, channels, or other facilities and not caused by the negligence of the subscriber, commences upon activation of service and in no event exceeds an amount equivalent to the charges the Company would make to the subscriber for the period of service during which such mistakes, omissions, interruptions, delays, errors, or defects in transmission occur. Such liability does not include avoidable damage to the subscriber's premises. For the purpose of computing such amount, a month is considered to have 30 days. (T)
- .2 When the facilities of other carriers are used in establishing connections to points not reached by the Company's facilities, the Company is not liable for any act or omission of the other carrier or carriers. The subscriber will indemnify and save harmless the Company from any third-party claims for such damages referred to in Section 3.3.1. (T)
- .3 The Company will make no refund of overpayments by a subscriber unless the claim for such overpayment, together with proper evidence, is submitted within two (2) years from the date. In calculating refunds, applicable discounts will be adjusted based on total usage after all credits or adjustments have been applied. (T)
- .4 Limitation of Liability: The Company will not be liable to any consequential, incidental or indirect damages for any cause of action, whether in contract or tort. Consequential, incidental, and indirect damages include, but are not limited to, other party was aware or should have been aware of the possibility of these damages. (T)
- .5 Y2K: Company Services will operate as specified in its agreement with Customer during the 20th and 21st centuries. The Company will make reasonable efforts to cure any material failure to provide Services caused solely by year 2000 defects in the Company's hardware, software or systems. Due to the interdependence among telecommunications companies and the interrelationship with non-Sprint processes, equipment and systems, the Company is not responsible for failures caused by circumstances beyond its control including, but not limited to, failures caused by: (1) a local exchange carrier; (2) Customer premise equipment; or (3) Customer. In addition, the Company does not ensure compatibility between Sprint Services and non-Sprint Services used by Customer. (T)

3. TERMS AND CONDITIONS (Continued).8 Payment of Charges.1 Billed Charges

(T)

For billing of fixed charges, service is considered to be established upon the day in which the Company notifies the subscriber of installation and testing of the subscriber's service. For miscellaneous services subscribers will not be billed for monthly recurring charges during the month subscriber's service commences.

(T)

(T)

Except as otherwise specified in this tariff, charges will be billed monthly in arrears and are due upon receipt. Subscriber will be billed for all usage accrued beginning immediately upon access to the service. Subscribers will be billed for all usage occurring during their specific 30-day billing cycle, which for purposes of computing charges shall be considered a month. The rates charged to a subscriber will be the rates in effect on the first day of the subscriber's billing cycle.

Subscribers billed by local exchange telephone companies on behalf of the Company are responsible for any late-payment charges that the local exchange telephone companies may employ in their billing process.

(T)

(T)

Beginning with invoices issued after September 2, 1999, residential subscribers billed directly by the Company may be assessed a late fee of 1.5% on payments not received within 30 days from the invoice date, where capabilities exist. The late fee will be applied to the entire unpaid balance of the customer's monthly invoice, including taxes. The late fee will not be applied to any disputed portion of the unpaid balance if the dispute is resolved in the customer's favor. A late fee of 1.5% is not applicable to subsequent rebilling of any amount to which a late fee has already been applied. Late charges are to be applied without discrimination.

MO. PUBLIC SERVICE COMM.

- .1 Message Telecommunications Service (MTS), WATS, 800, Sprint Clarity®, 800 Premieresm, SDS Premieresm, Real Solutionssm and Business Sensesm

For billing of fixed charges, service is considered to be established upon the day in which the Carrier notifies the subscriber of installation and testing of the subscriber's service.

Charges will be billed monthly in arrears and are due upon receipt. Subscriber will be billed for all usage accrued beginning immediately upon access to the service. For the purpose of computing charges, a month is considered to consist of 30 days.

Subscribers billed by local exchange telephone companies on behalf of Carrier are responsible for any late-payment charges that the local exchange telephone companies may employ in their billing process.

.2 Private Line Service

For billing of fixed charges, service is considered to be established on the day following the day in which the Carrier notified the subscriber of completion of installation and testing of the Carrier's channels and equipment.

All recurring charges which are determinable in advance, including minimum charges, may be billed a month in advance of service (e.g., bills generated in in January will cover the month of February) or in the current month and reflect the rates in effect as of the date of the invoice. Installation and other non-recurring charges are payable upon demand by the Carrier.

.3 VPN/VPN Premieresm

- .1 Payment is due upon receipt by subscriber of a Sprint invoice. Installation charges will be billed on or after service installation; monthly recurring charges, which will begin to accrue on the date service commences, will be billed monthly in advance; usage charges, which will begin to accrue on the date service commences, will be billed after the use occurs; termination charges will be billed at the time of termination.
- .2 Payments not received from a commercial subscriber by Sprint within thirty (30) days after invoice date will accrue interest from the date of invoice until payment is received at the rate of one and one-half percent (1 ½ %) per month or the maximum rate permitted by applicable law, whichever is less.
