

PRICE INCREASE

Effective August 1, 2013, the month-to-month price of Custom Bizsaver II service in the Southwest will increase. Expired term rate customers with a primary line and an additional line with four features will incur a month to month rate change from \$45.00 to \$46.20. Expired term rate customers who subscribe to an additional line with caller id will receive a month to month rate change from \$30.00 to \$40.70. For questions about this change, please contact an AT&T Service Representative at the toll-free number on your bill.
