ORDER GRANTING APPLICATION

Issue Date: July 19, 2011

Effective Date: July 22, 2011

The Missouri Public Service Commission is granting the application for recognition of the following name change:

From: Norlight Telecommunications, Inc.

To: Windstream NTI, Inc.

The Commission is also approving some of the tariff sheets filed with the application.

On June 22, 2011, the Commission received the application with tariff sheets. On July 18, 2011, the applicant withdrew one set of tariff sheets. Also on that same date, the Commission's staff ("Staff") filed its recommendation, with a correction filed on July 19, 2011, favoring the application and recommending that the remaining tariffs take effect by operation of law or be approved. Because no party disputes the application, no law requires a hearing before granting the application, so the Commission convened no hearing and bases its findings on the verified filings.¹

Therefore, the Commission will grant the application, recognize the name change, and approve the tariffs.
