described for each Service provided in this tariff. If the final interval of a call is less than the applicable billing increment, it will be rounded up to a full increment for purposes of billing.

- 3.9.6. Computed usage charges or credits for each call is rounded to the nearest cent when possible.

3.10 Calculations of Distance for IntraLATA Calls

- 3.10.1. Usage charges for all mileage sensitive rates are based on the airline distance between rate centers associated with the originating and terminating points of the call.

- 3.10.2. The airline mileage between rate centers is determined by applying the industry standard formula using the vertical and horizontal coordinates associated with the rate centers involved, as set forth in NECA's (National Exchange Carrier Associations) Tariff No. 4.

4. SERVICE OFFERINGS

tariff. The Customer uses the Company's direct dialed Domestic Message Telecommunications Service by dialing 1 + the area code + the desired telephone number.

4.2.2 The rates for Direct Dial Domestic Service are set forth in Section 5.1 of this tariff.

4.3 Inbound (800/888/877) Toll Free Service

4.3.1. The Company's Inbound (800/888/877) Toll Free Service enables the customer to receive 800/888/877 service calls at the Customer's residence or business. The Service is accessed via 800/888/877 NPA's originating on Feature Group facilities provided by the LEC and terminating on a regular residential or business line. The following regulations apply to all Inbound (800/888/877) Toll Free Service:

4.3.1.A. The Company reserves the right to require an applicant for the Company's Inbound 800/888/877 Toll Free Service to supply the following information when requesting service: an initial traffic forecast, identification of anticipated busy hour, identification of its geographical target areas, and a schedule of marketing and promotional activities. The Company also may require that a new traffic forecast be submitted by the Customer quarterly after service is initiated.

4.3.1.B. The Company's Inbound 800/888/877 Toll Free Service is furnished upon condition that the Customer contracts for adequate facilities, and must obtain an adequate number of access lines for the Company's Inbound 800/888/877 Toll Free Service, to permit the use of this Service without injurious effect upon it or any Service rendered by the Company, or to prevent interference or impairment of this Service or any other Service provided by the Company, based on (1) total call volume, (2) average call duration, (3) time-of-day characteristics, and (4) peak calling period. The Company, without incurring any liability and without notice to the Customer, may disconnect or refuse to furnish the Company's Inbound 800/888/877 Toll Free Service to any Customer that fails to comply with these conditions.
